

Answer all the questions.

Each question is followed by four options lettered A to D. Find the correct option for each question and shade in pencil on your answer sheet, the answer space which bears the same letter as the option you have chosen. Give only one answer to each question. An example is given below.

Indirect rule was introduced into the British West Africa by

- A. George Goldie.
- B. Frederick Lugard.
- C. Donald Cameron.
- D. Margery Perham.

The correct answer is Frederick Lugard, which is lettered B and therefore answer space B would be shaded.

☐ A ☒ B ☐ C ☐ D

Think carefully before you shade the answer spaces; erase completely any answer(s) you wish to change.

Now answer the following questions.

1. What makes democracy unique from other forms of government? It
 - A. regulates the media space and prevents civil society from sabotaging the functions of government.
 - B. mobilizes the populace against external control of the resources of state and monopolizes the commanding height of the economy.
 - C. empowers individuals to exercise political control over the form and functions of their government.
 - D. ensures the winner takes all policy operates effectively and protects the executive in all their deliberations.
2. The study of government usarguably stirs up and contributes to political
 - A. apathy.
 - B. participation.
 - C. manipulation.
 - D. power.
3. The authority granted to a government, enabling leaders like the president or prime minister to enforce laws, direct national affairs and manage public policies is referred to as
 - A. executive power.
 - B. political power.
 - C. institutional power.
 - D. popular power.
4. The uniqueness of a country within the Comity of States is characterized by the following factors except
 - A. national identity.
 - B. economic size.
 - C. influence of globalization.
 - D. political influence and diplomacy.
5. In which system of government do leaders utilize their political power to unjustly expropriate the wealth of the people and land they govern to their benefit?
 - A. Feudalism
 - B. Kleptocracy
 - C. Communalism
 - D. Capitalism

Future of Coal in India Rahul Tongia, Anurag Sehgal, Puneet

Kamboj,2020-09-15 Mark Twain observed I m in favour of progress it s change I don t like Coal dominates Indian energy because it s available domestically and cheap especially without a carbon tax If the global focus is on the energy transition how does India ensure a just transition Managing winners and losers will be the single largest challenge for India s energy policy Coal is entrenched in a complex ecosystem In some states it s amongst the largest contributors to state budgets The Indian Railways India s largest civilian employer is afloat because it overcharges coal to offset under recovery from passengers Coal India Limited the public sector miner that produces 85% of domestic coal is the world s largest coal miner But despite enormous reserves India imports about a quarter of consumption On the flip side coal faces inevitable pressure from renewable energy which is the cheapest option for new builds However there is significant coal based power capacity already in place some of which is underutilized or even stranded Low per capita energy consumption means India must still grow its energy supply Before India can phase out coal it must first achieve a plateau of coal How this happens cost effectively and with least resistance isn t just a technical or economic question it depends on the political economy of coal and its alternatives Some stakeholders want to kill coal A wiser option may be to first clean it up instead of wishing it away Across 18 chapters drawing from leading experts in the field we examine all aspects of coal s future in India We find no easy answers but attempt to combine the big picture with details bringing them together to offer a range of policy options
