

Science 20 Unit D: Field Study: Describe and Evaluate A Local Ecosystem

In this project, you will describe a local ecosystem and present your findings in a report. Ensure that the boundaries are clear and easy to identify. For example, you could use your backyard, a park, or a pond/lake. It should include a variety of plant and animal species. You may have to spend time out in this environment collecting data so make sure you pick somewhere accessible. Your report should include a picture where you see this symbol:
