Answers For 2014 2015 Government:

OECD Environmental Performance Reviews: The Netherlands 2015 OECD, 2015-11-25 This report is the third OECD review of environmental performance in the Netherlands It evaluates progress towards sustainable development and green growth with a focus on sustainable mobility and waste and materials management *Financial Services and General Government Appropriations for Fiscal Year 2015* United States. Congress. Senate. Committee on Appropriations. Subcommittee on Financial Services and General Government, 2015 *Public Administration in Hong Kong* Wei Li, 2023-06-30 This book investigates the case of Hong Kong Special Administrative Region SAR of People's Republic of China mapping the changing patterns of political administrative relations affected by the sovereignty change and structural reforms It identifies the conditions that account for the varied political administrative relations resulting from these changes and develops an analytical framework that integrates and adapts theories and models from Western contexts to explain varied political administrative relations in Hong Kong policymaking The book tests its hypotheses through a qualitative comparative analysis of 18 cases occurring during the period of 1997-2012 It also conducts a comparative case analysis which identified alternative causal conditions that were missing in the original framework The book concludes that civil servants no longer dominate policymaking in Hong Kong after the regime change and structural reforms While senior civil servants have sustained influence over policymaking processes through codified rules and political appointment some of them have adapted to the changes in political environment that require more proactive policy styles and more hierarchical loyalty to the Central People's Government of China than before The first hand interview materials presented in the book provide insights about internal political administrative dynamics rarely accessible from the public domain These insights provide inside knowledge of the actors structure and processes of local policymaking in a context of post colonial transition and will be of interest to public administration scholars *HC 1121 - Matters for the Procedure Committee in the 2015 Parliament* Great Britain. Parliament. House of Commons. Select Committee on Procedure, 2015

Parliamentary Debates (Hansard). Great Britain. Parliament. House of Commons,2013 **Future of Coal in India** Rahul Tongia, Anurag Sehgal, Puneet Kamboj,2020-09-15 Mark Twain observed I m in favour of progress it s change I don t like Coal dominates Indian energy because it s available domestically and cheap especially without a carbon tax If the global focus is on the energy transition how does India ensure a just transition Managing winners and losers will be the single largest challenge for India s energy policy Coal is entrenched in a complex ecosystem In some states it s amongst the largest contributors to state budgets The Indian Railways India s largest civilian employer is afloat because it overcharges coal to offset under recovery from passengers Coal India Limited the public sector miner that produces 85% of domestic coal is the world s largest coal miner But despite enormous reserves India imports about a quarter of consumption On the flip side coal faces inevitable pressure from renewable energy which is the cheapest option for new builds However there is significant

coal based power capacity already in place some of which is underutilized or even stranded Low per capita energy consumption means India must still grow its energy supply Before India can phase out coal it must first achieve a plateau of coal How this happens cost effectively and with least resistance isn't just a technical or economic question it depends on the political economy of coal and its alternatives Some stakeholders want to kill coal A wiser option may be to first clean it up instead of wishing it away Across 18 chapters drawing from leading experts in the field we examine all aspects of coal's future in India We find no easy answers but attempt to combine the big picture with details bringing them together to offer a range of policy options
