Focus On: 100 Most Popular Billboard Mainstream Top 40 (Pop Songs) Number-one Singles Wikipedia contributors, *Music in Esports* Eulalia Febrer-Coll, 2025-07-21 This book invites the reader to expand their idea of esports as an independent niche and consider it an integral part of a growing multi and transmedia ecosystem that includes the global entertainment industry where music plays an essential role The music present in and around esports games is an integral part of how they are communicated and mediated and as such holds a central role in binding their narratives cohesively and coherently to appeal to their audiences Popular music theory is placed at the foundation of the issues raised in the chapters as it is taken as a cornerstone for linking the esports international scene with the music industry This text uses specific case studies from popular esports to support and illustrate each chapter including League of Legends Counter Strike and Fortnite This book will be of great interest to researchers and students in the fields of esports game design and development musicology and media studies **Billboard**, 2012-01-07 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Evolution and Equilibrium of Copyright in the Digital Age** Susy Frankel, Daniel Gervais, 2014-08-21 Examines how copyright can evolve without compromising the interests of authors users and those who connect them

Mood Machine Liz Pelly, 2025-11-04 NATIONAL BESTSELLER An unsparing investigation into Spotify's origins and influence on music weaving unprecedented reporting with incisive cultural criticism illuminating how streaming is reshaping music for listeners and artists alike Drawing on over one hundred interviews with industry insiders former Spotify employees and musicians Mood Machine takes us to the inner workings of today's highly consolidated record business showing what has changed as music has become increasingly playlisted personalized and autoplayed Building on her years of wide ranging reporting on streaming music journalist Liz Pelly details the consequences of the Spotify model by examining both sides of what the company calls its two sided marketplace the listeners who pay with their dollars and data and the musicians who provide the material powering it all The music business is notoriously opaque but here Pelly lifts the veil on major stories like streaming services filling popular playlists with low cost stock music and the rise of new payola like practices For all of the inequities exacerbated by streaming Pelly also finds hope in chronicling the artist led fight for better models pointing toward what must be done collectively to revalue music and create sustainable systems A timely exploration of a company that has become synonymous with music Mood Machine will change the way you think about and listen to music **Focus On: 100 Most Popular American Tenors** Wikipedia contributors, **Digital Entertainment Superguide**, Audio and video content is all around us And these days much of it comes not from TV cables satellite dishes and radio antennas but from our digital devices around the house streaming over the Internet and local networks And that's why we created the Digital

Entertainment Superguide a primer with everything you need to know to get started This book walks you through how to set up your home network and choose the right hardware set top boxes smart TVs media center computers streaming speakers remote controls and more for your needs Like to watch TV shows and movies but not sure where to find what We ve got you covered with a guide to streaming video sources for your TV or mobile devices We don t leave music lovers out either as we help you choose the best streaming audio service Do you want Mog Rdio Rhapsody Slacker or Spotify How much does each service cost Which sounds best We answer all those questions and more in the pages that follow Finally if you re wondering how to move audio and video around the house stream music wirelessly from an iPhone to an AirPlay speaker in the living room or send video from a computer to your beautiful wall mounted HDTV you ve come to the right place We ll even show you how to use your smartphone or tablet to control it all So read on and let the fun begin Unexpected Chart Hits

Rebecca Murphy, AI, 2025-03-29 Unexpected Chart Hits explores how certain songs seemingly destined for obscurity unexpectedly rise to the top of the pop music charts It argues that this phenomenon isn t random but a complex interplay of factors including viral social media trends and the transformative power of remixes For instance a seemingly forgotten track can experience a resurgence by appealing to new audiences through strategic reinterpretations The book analyzes chart data streaming statistics and social media trends to understand these unexpected ascensions It also uses case studies and interviews with artists and industry experts The book stands out by shifting focus from traditionally promoted hits to those that defy conventional industry wisdom The book methodically unpacks its argument starting with a clear definition of unexpected chart hits Subsequent sections explore the impact of social media the role of remixes and how cultural shifts can unexpectedly elevate certain songs This makes the book particularly valuable for music industry professionals marketing specialists and anyone interested in how music trends emerge Billboard, 2009-10-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Intelligent and Fuzzy Systems** Cengiz Kahraman, Selcuk Cebi, Basar
