What s so special about Amazing Grace In this new compelling book from author Andra English find out more about Amazing Grace Amazing Grace is a Christian hymn with lyrics written by the English poet and clergyman John Newton published in 1779 With a message that forgiveness and redemption are possible regardless of the sins people commit and that the soul can be delivered from despair through the mercy of God Amazing Grace is one of the most recognizable songs in the English speaking world Newton wrote the words from personal experience He grew up without any particular religious conviction but his life s path was formed by a variety of twists and coincidences that were often put into motion by his recalcitrant insubordination He was pressed into the Royal Navy and became a sailor eventually participating in the slave trade One night a terrible storm battered his vessel so severely that he became frightened enough to call out to God for mercy a moment that marked the beginning of his spiritual conversion His career in slave trading lasted a few years more until he quit going to sea altogether and began studying theology Ordained in the Church of England in 1764 Newton became curate of Olney Buckinghamshire where he began to write hymns with poet William Cowper Amazing Grace was written to illustrate a sermon on New Year s Day of 1773 It is unknown if there was any music accompanying the verses and it may have been chanted by the congregation without music It debuted in print in 1779 in Newton and Cowper s Olney Hymns but settled into relative obscurity in England In the United States however Amazing Grace was used extensively during the Second Great Awakening in the early 19th century It has been associated with more than 20 melodies but in 1835 it was joined to a tune named New Britain to which it is most frequently sung today Author Gilbert Chase writes that Amazing Grace is without a doubt the most famous of all the folk hymns and Jonathan Aitken a Newton biographer estimates that it is performed about 10 million times annually It has had particular influence in folk music and become an emblematic African American spiritual Its universal message has been a significant factor in its crossover into secular music Amazing Grace saw a resurgence in popularity in the U S during the 1960s and has been recorded thousands of times during and since the 20th century sometimes appearing on popular music charts So what separates this book from the rest A comprehensive narrative of Amazing Grace this book gives a full understanding of the subject A brief guide of subject areas covered in 1772 Works Amazing Grace include Amazing Grace John Newton Olney Hymns Find out more of this subject it s intricacies and it s nuances Discover more about it s importance Develop a level of understanding required to comprehend this fascinating concept Author Andra English has worked hard researching and compiling this fundamental work and is proud to bring you 1772 Works Amazing Grace Read this book today      *Amazing*
