This, however, is only part of the reason why Amazon is the number one e-commerce company in the world for almost two decades. The real reason behind Amazon's success is that they have mastered the art of getting other people to market and sell for them. From affiliate partners that drive traffic to online reviews and ratings where customers tell other customers why they should buy a product to getting free publicity from shows like Oprah or 60 Minutes, Amazon is the online company to emulate. *Amazon's Dirty Little Secrets* will show you how you can accomplish this for your company. Amazon's Dirty Little Secret is getting others to do their marketing and sales for them. This is so powerful that Greg created an acronym using the word POWER: P, Plenty of traffic; O, Offer something for free; W, Win their trust; E, Engaging experience; R, Request an action; additional tips and secrets. Anyone engaged in Internet sales and marketing will benefit from the specific examples in this book. *You're Doing it Wrong!* Bethany L. Johnson, Margaret M. Ditto for countless less iconic firms and small businesses. At a high level, executives and managers at these organizations are trying to turn back the clock to 2019. He peers into the dizzying and chaotic future of work. Simon slices through the hype surrounding nascent
