Royer,2018-08-21 When I started thinking about building a Faith based curriculum for the early childhood classroom my goal was to create a curriculum that would catch the interest of children 0 Kindergarten See I have worked in the early childhood classroom for almost two decades and while the goal is at the heart of the curriculum I have used the interest it has sparked in our young ones is mild and dulled down at best How can we best instill an excitement to learn in our young ones By making the material and manipulatives hands on and exciting I don t mean by reading a story and pulling out paper puppets on craft sticks although this may be what some children like and want to explore What I mean is presenting values and morals in an explorative manner in conjunction with developmentally appropriate learning standards that help engage your students in learning experiences while getting them excited Including stories and sensory materials story buckets role playing with dress up materials including a variety of mixed media to spark your student s interests is absolutely necessary Create an environment that appeals to learners of various ages backgrounds and learning styles Make your lesson times fun and interesting and your learners will gravitate back for more **The Sacredness of Secular Work** Jordan Raynor,2024-01-30 From a leading voice in the faith and work movement and author of *Redeeming Your Time* comes

the revolutionary message that God sees our daily work in whatever form it takes with far more value than we ever imagined. The Sacredness of Secular Work does an extraordinary job of being both personally relevant and more importantly biblically faithful. Randy Alcorn, New York Times bestselling author of *Heaven*, asks: Does your work matter for eternity? Sadly, most believers don't think so. Sure, the 1 percent of the time they spend sharing the gospel with their co-workers matters. But most Christians view the other 99 percent of their time as meaning very little in the grand scheme of things. But that's not how God sees it. Jordan Raynor, a leading voice in the faith and work movement and bestselling author, offers a revolutionary message about how our daily jobs, from baristas and entrepreneurs to stay-at-home parents and coaches, have intrinsic and eternal value. In *The Sacredness of Secular Work*, he reveals unexpected ways our work truly matters. In these pages, you'll discover how a low regard of our work limits our understanding of God and His Kingdom. Inspiring ways your work can reveal God's kingdom on earth here and now. Surprising strategies for ensuring your vocation has an eternal legacy. Vital insights on what God's view of work tells us about heaven. Combining research, Scripture, and storytelling, Jordan Raynor proves that work in its diverse forms is one of the primary activities that brings God delight. This biblical perspective will set you free to pursue your passions and skills and perhaps for the first time experience the Creator's delight in the work of your hands.

Blowing Smoke Michael Wolraich, 2010-10-12 HAS AMERICA LOST ITS MARBLES? Television sensation Glenn Beck warns of White House plots to institute fascism, communism, and other terrifying isms. Radio titan Rush Limbaugh charges that a racist Obama regime encourages black schoolchildren to beat up white kids. Evangelical luminary James Dobson frets that Christians will be arrested for thought crimes and people will be allowed to marry donkeys. Protesters in knickers and colonial style hats march on Washington with signs that order Hitler-like caricatures of President Obama to return to Kenya. As madness reigns, pundits, politicians, and cab drivers debate the source of the hysteria. Some blame ignorance, some blame racism, some blame the economy. After poring over mountains

of political screeds and heedlessly subjecting himself to countless hours of Fox News author Michael Wolraich discovered the secret formula that turns ordinary men and women into fire breathing smoke blowing right wing maniacs It s persecution politics again In *Blowing Smoke* Wolraich documents dissects and deconstructs the myths that underlie the right s growing reliance on the politics of persecution from Joe McCarthy to the Tea Party movement In the process he delivers an original and compelling hypothesis with penetrating insight and blistering wit At turns hilarious disturbing and edifying *Blowing Smoke* is a must read account of modern American politics [The Horn Book Guide to Children's and Young Adult Books](#)
