Java Servlet & JSP Cookbook Bruce W. Perry, 2004-01-21 With literally hundreds of examples and thousands of lines of code the Java Servlet and JSP Cookbook yields tips and techniques that any Java web developer who uses JavaServer Pages or servlets will use every day along with full fledged solutions to significant web application development problems that developers can insert directly into their own applications Java Servlet and JSP Cookbook presents real world problems and provides concise practical solutions to each Finding even one tested code recipe that solves a gnarly problem in this comprehensive collection of solutions and best practices will save hours of frustration easily justifying the cost of this invaluable book But Java Servlet and JSP Cookbook is more than just a wealth of cut and paste code It also offers clear explanations of how and why the code works warns of potential pitfalls and directs you to sources of additional information so you can learn to adapt the problem solving techniques to similar situations These recipes include vital topics like the use of Ant to setup a build environment extensive coverage of the WAR file format and web xml deployment descriptor file uploading error handling cookies logging dealing with non HTML content multimedia request filtering web services I18N web services and a host of other topics that frustrate even the most seasoned developers For Java web developers of all levels who are eager to put into practice the theory presented in other API focused books the solutions presented in this practical book will prove invaluable over and over again This is painless way for less experienced developers who prefer to learn by doing to expand their skills and productivity while accomplishing practical solutions to the pressing problems they face every day More experienced developers can use these recipes to solve time consuming problems quickly freeing up their time for the more creative aspects of their work

How to Self-publish and Market a Children's Book (Second Edition) Karen P Inglis, 2021-05-19 An indispensable easy to read resource from international bestselling children s author Karen Inglis A masterclass all wrapped up in a book Have you written a children s story that you can t find a home for Do you need help with your early self publishing journey or with more advanced children s book publishing and marketing strategies Are you traditionally published but curious about other options If you answered yes to any of these questions you re in the right place How to Self publish and Market a Children s Book Second Edition provides practical in depth guidance and key strategies for self publishing in print eBooks and audiobooks and for selling more children s books face to face and online After reading this book you will understand How you can self publish your children s story at little or

no cost Why print matters for children s self publishing but why eBooks are also critical for marketing Why it s important to work with professional children s editors illustrators and cover designers and where to find them How to set up successful school visits and other events and how to plan and run virtual events Best practice and expectations for getting into bookshops Which tools and platforms can help with your book marketing including key strategies for Amazon ads and other advertising How to get reviews How to create and market children s audiobooks When and how to approach translation and foreign rights Options for upfront printing and who this is suitable for Where to find other self publishers for ongoing support and advice Self published international bestselling children s author Karen Inglis has sold over half a million children s books in print over 20 000 eBooks and over 8 000 audiobooks Her popular middle grade time travel adventure The Secret Lake is now in translation in nine languages and its long awaited sequel 2022 has received glowing reviews and very strong early sales Karen s picture book The Christmas Tree Wish was shortlisted for the 2020 UK Selfies Award for best self published children s book Her most recent picture book The Tell Me Tree has received praise from teachers and parents alike for helping children talk about their feelings and is being used in UK classrooms As well as writing for children Karen has over 30 years experience as a professional copywriter and writing training consultant Her ability to organise and explain topics in plain English won her praise and over 100 5 star reviews for the first edition of this book This expanded and updated edition for 2021 which now includes virtual events audiobooks foreign editions and detailed advertising strategies as well as more tools and platforms to help with your book marketing will not disappoint One reviewer described the first edition as A masterclass wrapped up in a book We think that pretty well sums up the second edition too With everything together in one place and a comprehensive table of contents to help you quickly find what you need How to Self publish and Market a Children s Book Second Edition provides a powerful ready reference that you can come back to again and again How to Market a Children s Book standalone edition if you understand self publishing If you are a seasoned children s book self publisher and are looking only for marketing support search for How to Market a Children s Book by Karen P Inglis This separate edition also released in May 2021 incorporates the marketing content of the combined book It assumes you fully understand the various self publishing options and distribution processes for print eBooks and audiobooks [An Author's Guide to Working with Libraries and Bookstores](#) Mark Leslie Lefebvre,2019-12-10 Any author can get their book listed in an online catalog But what if you want more What if you want to rise above the digital masses and be relevant to booksellers and librarians In today s digital age of publishing it s easy to get your book listed on major retail and library sites around the world But what about Attracting the attention of the curators of these sales channels Succeeding in getting some of these channels to highlight spotlight and promote your book to their customers or patrons Having a bookstore or library actually order and stock your print book Being invited to either host or participate in a live event in a bookstore or library Standing out as a talented and relevant professional or subject matter expert All of these things take a bit more effort than the average

creative person is willing to invest. But that's where you come in because this type of success is reserved for the truly dedicated author like you. With the right amount of foresight, preparation, effort, and determination, you can rise above the digital slush to a place where you and your book can stand out to exactly the right people. This book walks you through all that you need to know in order to leverage the tools available for successfully working with both bookstores and libraries. It is derived from the author's three decades of experience in the book industry as a writer, an editor, a bookseller, and a publishing industry representative. If you want to leverage insights into the systems and logistics associated with print, eBook, and audiobook distribution to retailers and libraries to maximize your availability in these formats as well as your overall sales and earnings, then this is the book for you. *An Author's Guide to Working with Bookstores and Libraries* is a no-BS overview of the publishing industry, bookstores, and libraries. It outlines the basics of what authors need to know when navigating their way through the complex print, eBook, and distribution options available to authors. Whether you are traditionally published or self-published, this book provides guidance and insights to help you maximize your sales, your earnings, and your author brand.
