Amazon Casino Royale Review:

Selected Amazon Reviews Kevin Killian, 2024-11-26 A book length selection from Kevin Killian's legendary corpus of more than two thousand product reviews posted on Amazon.com. An enchanting roll of duct tape. Love Actually on Blu-ray. Disc. The Toaster Oven Cookbook. The Biography of Stevie Nicks and an anthology of poets who died of AIDS. In this only book length selection from his legendary corpus of more than two thousand product reviews posted on Amazon.com, sagacious shopper Kevin Killian holds forth on these household essentials and many many many others. The beloved author of more than a dozen volumes of innovative poetry, fiction, drama and scholarship, Killian was for decades a charismatic participant in San Francisco's New Narrative writing circle. From 2003-2019 he was also one of Amazon's most prolific reviewers, rising to rarefied Top 100 and Hall of Fame status on the site. Alternately hilarious and heartfelt, Killian's commentaries consider an incredible variety of items; each review a literary escapade hidden in plain sight amongst the retailer's endless pages of user-generated content. *Selected Amazon Reviews* at last gathers an appropriately wide swath of this material between two covers, revealing the project to be a unified whole and always more than a lark. Some for verified purchases, others for products enjoyed in theory. Killian's reviews draw on the influential strategies of New Narrative, his unrivaled fandom for both elevated and popular culture, and the fine art of fabulation. Many of them are ingeniously funny, flash-fictional riffs on the commodity as talismanic object, written by a cast of personas worthy of Pessoa. And many others are serious, even scholarly, earnest tributes to contemporaries and to small press books that may not have received attention elsewhere, offered with exemplary attention. All of Killian's reviews subvert the Amazon platform, queering it to his own play with language, identity, genre critique. Killian's prose is a consistent pleasure throughout. *Selected Amazon Reviews* brimming with wit, lyricism and true affection. As the Hall of Famer himself reflected on this form of his own invention shortly before his untimely passing in 2019: "They're reviews of a sort, but they also seem like novels. They're poems. They're essays about life. I get a lot of my kinks out there on Amazon."

Film Review, 2007 **Film as World Literature** Robin Truth Goodman, 2025-10-16 Redefines the theoretical and thematic contents of world literature by considering it in connection with film. What gets lost when we understand film as essentially different from literature? What gets lost when we think them essentially the same? Does the constructed difference between literature and film also create social and political exclusions, exclusions that may exacerbate class struggle or exclusions of certain ways of thinking the future? *Film as World Literature* seeks to undo disciplines and disciplinarity, the division between film and literature, indeed conceals the possibilities of world by bracketing out undisciplined parts. Contributors apply ideas of translatability and untranslatability not just as a linguistic exercise of transfers between language groups, cultures and national origins, but also as an approach to media and transfers between media. Is film a visual acknowledgement that literary language is by definition multilingual, that is, film a place where political conflicts, as Bakhtin observed, can be rendered visible? Chapters discuss film's relation to world literature, not only by

considering literary adaptations across nations regions languages ideologies and contexts but also by exploring film s intersections with literary theory narrative history genre and experimentation Film as World Literature calls for recognition that while the category of world demands a radical defense in the face of risks to democracy the world that literature and film combined bring forth must interrogate the conditions for a future politics of interaction engagement belonging and difference

 an exploration of the author s burgeoning obsession with Peter Sellers and specifically his role in hijacking and derailing

 into chaos quickly devolves into its own chaos as the essay splits into 5 different narrators each with their own idea of what
 the essay is actually about Is it about how Peter Sellers and his oversize ego ruined Casino Royale Is it about how society has
