When it comes to the end of the month, you look at your account. It is almost surreal that you work so many hours, even throw in some overtime by going in early and staying late, and yet all the money goes to the bills, rent, blah, blah, and blah. You think of getting a second job, a side gig, or a hustle. But which one? With so many options, picking the right one is like looking for the right car or house. So let me help you by picking out a job as an Amazon FBA Product Researcher. You're probably wondering why anyone would want this job, well for starters, you can work remotely on your time. And about 90% of people shop on Amazon, and chances are so do you. I bet the last time you purchased something online, it came from Amazon. So in a way, you are doing about what the job requires. Plus, you get paid to research products and sell them. But if you're thinking you have to ship and store in your home, guess what? You don't. Amazon does all that. You research the product and ideal product of your choice to sell. In this book, you will learn the rules, the do's and don'ts, the basics of what is needed. Not to mention how to influence buyers and launch the ideal product that will give you enough money in your pocket to have some spending cash. Who knows, you might make enough to turn it into a full-time job that many say they enjoy and live a decent lifestyle. Think about it, less stress, working from home, not being stuck on the freeway hearing honking cars and people swearing like sailors because they haven't had their coffee yet. If you are looking for a sign to look for a job change, I think you may have found it.
