Resources in Education, 2001-04

Religion and Higher Education in Europe and North America Kristin Aune, Jacqueline Stevenson, 2016-12-01

Religion and Higher Education in Europe and North America illuminates the experiences of staff and students in higher education as they negotiate the university environment Religious extremism has been rising across Europe whilst recent attacks have thrown public debate around the place of religion on campus the role of universities in recognising and managing religious fundamentalism and freedom of speech on campus into sharper focus Despite these debates research exploring religion on campus has been largely absent from discourse on higher education outside of America with policy and practices designed to deal with religion on campus largely founded on supposition rather than evidence This book speaks into that void including results from recent studies in the field which form an empirically grounded base from a broad variety of perspectives on religion at universities Aiming to offer a deeper perspective more dialogue and engagement on the experiences of students Religion and Higher Education in Europe and North America presents us not only with an opportunity to counter growing trends of intolerance but for people to connect with the humanity of others Focusing on what

research reveals about staff and students experiences it incorporates research from different academic disciplines including sociology education social policy theology and religious studies and across different faith and belief groups This thought provoking and challenging volume features chapters written by researchers involved in informing policy and practice relating to religion and belief in higher education in the UK US Canada France and the Netherlands Spanning the academic practitioner divide students and academics interested in the sociology of religion and of higher education as well as those responsible for the practical management of campus life will find this text of particular importance

Why Religion and Spirituality Matter for Public Health Doug Oman, 2018-05-08 This volume reviews the exploding religion spirituality R S and health literature from a population health perspective It emphasizes the distinctive Public Health concern for promoting health and preventing disease in societies nations and communities as well as individuals Part I offers a rigorous review of mainstream biomedical and social scientific theory and evidence on R S health relations Addressing key gaps in previous literature it reviews evidence from a population health viewpoint surveying pertinent findings and theories from the perspective of Public Health subfields that range from Environmental Health Sciences to Public Health Nutrition to Health Policy Management and Public Health Education In Part II practitioners describe in detail how attending to R S factors enhances the work of clinicians and community health practitioners R S provides an additional set of concepts and tools to address opportunities and challenges ranging from behavior and institutional change to education policy and advocacy Part III empowers educators analyzing pedagogical needs and offering diverse short chapters by faculty who teach R S health connections in many nationally top ranked Schools of Public Health International and global perspectives are highlighted in a concluding chapter and many places throughout the volume This book addresses a pressing need for Public Health research practice and teaching A substantial evidence base now links religious and spiritual R S factors to health In the past 20 years over 100 systematic reviews and 30 meta analyses on R S health were published in refereed journals But despite this explosion of interest R S factors remain neglected in Public Health teaching and research Public Health lags behind related fields such as medicine psychology and nursing where R S factors receive more attention This book can help Public Health catch up It offers abundant key resources to empower public health professionals instructors and students to address R S serving at once as a course text a field manual and a research handbook
