American Earth Environmental Writing Since Thoreau Library Of America 182:

American Earth Bill McKibben, 2008 Author and activist McKibben gathers the essential American writings that changed the way the public looks at the natural world *American Earth* features essays by Walt Whitman Rachel Carson Barbara Kingsolver Michael Pollan and dozens more

From the Tourist's Gaze Pietro Agnoletto, 2025-06-27 *From the Tourist's Gaze* bridges environmental humanities and amateur cinema studies exploring tourism induced environmental issues through the visual representations created by tourists themselves The protagonists of the book are families from North West Italy and their holiday films captured during their holidays in the Ligurian Riviera The timeframe spans between the 1950s and 1970s the so called Italian economic miracle a period in which Italy experienced an extraordinary and rapid economic growth and consequentially a rise in living standards including tourism and film cameras accessibility Radical environmental transformations such as the industrialization and cementing of spaces or the conversion of entire coastlines into territories equipped to receive masses of tourists were just one of the consequences studied from a myriad of sources but never through amateur films The most illustrative case is the Ligurian Riviera which has been regarded as an example of land consumption since those contemporary years Despite being centered on a specific case study readers will be equipped with practical tools to enhance their study of historical amateur films These tools are introduced through innovative methodological approaches to archival research and visual analysis The results will highlight the visual imagery of mid 20th century tourists and their perspectives on the destinations they visited offering fresh visually oriented insights that contribute to the field of tourism studies As a visual journey through mid 20th century Italian tourism and its environmental narratives it may interest cultural geographers tourism and media scholars and the broader group of environmental humanists the latter will have the opportunity to explore amateur cinema as an untapped resource for understanding cultural narratives while amateur cinema scholars will have an example of a fresh and different approach to their subject It can also give new insights to archivists specialized in home movies and be appealing to scholars and intellectuals interested in these topics

[Nature and the Environment in Amish Life](#) David L. McConnell, Marilyn D. Loveless, 2018-11-01 The Amish relationship to the environment is much more complicated than you might think The pastoral image of Amish communities living simply and in touch with the land strikes a deep chord with many Americans Environmentalists have lauded the Amish as iconic models for a way of life that is local self sufficient and in harmony with nature But the Amish themselves do not always embrace their ecological reputation and critics have long questioned the portrayal of the Amish as models of environmental stewardship In *Nature and the Environment in Amish Life* David L McConnell and Marilyn D Loveless examine how this prevailing notion of the environmentally conscious Amish fits with the changing realities of their lives Drawing on 150 interviews conducted over the course of 7 years as well as a survey of household resource use among Amish and non Amish people they explore how the Amish understand nature in their daily lives and how their actions impact the natural

world Arguing that there is considerable diversity in Amish engagements with nature at home at school at work and outdoors McConnell and Loveless show how the Amish response to regional and global environmental issues such as watershed pollution and climate change reveals their deep skepticism of environmentalists They also demonstrate that Amish households are not uniformly lower in resource use compared to their rural non Amish neighbors though aspects of their home economy are relatively self sufficient The first comprehensive study of Amish understandings of the natural world this compelling book complicates the image of the Amish and provides a more realistic understanding of the Amish relationship with the environment

Work: A Story of Experience Louisa May Alcott, 2014-10-07 Published in 1873 this autobiographical novel has been called the adult Little Women It follows the semi autobiographical story of an orphan named Christie Devon who having turned twenty one announces a new Declaration of Independence and leaves her uncle's house in order to pursue economic self sufficiency and to find fulfillment in her profession Against the backdrop of the Civil War years Christie works as a servant actress governess companion seamstress and army nurse all jobs that Alcott knew from personal experience exposing the often insidious ways in which the employments conventionally available to women constrain their self determination Alcott's most overtly feminist novel Work breaks new ground in the literary representation of women as its heroine pushes at the boundaries of nineteenth century expectations and assumptions The novel is supplemented here with all the usual Library of America features plus a conversation with editor Susan Cheever and a reading group guide

A Princess of Mars Edgar Rice Burroughs, 2012-04-12 Rediscover the adventure pulp classic that gave the world its first great interplanetary romance now featuring an introduction by Junot Diaz In the spring of 1866 John Carter a former Confederate captain prospecting for gold in the Arizona hills slips into a cave and is overcome by mysterious vapors He awakes to find himself naked alone and forty eight million miles from Earth a castaway on the dying planet Mars Taken prisoner by the Tharks a fierce nomadic tribe of six limbed olive green giants he wins respect as a cunning and able warrior who by grace of Mars's weak gravity possesses the agility of a superman He also wins the heart of fellow prisoner Dejah Thoris the alluring red skinned Princess of Helium whose people he swears to defend against their grasping and ancient enemy the city state of Zodanga John Carter first appeared in 1912 in the pages of The All Story magazine and immediately entered the dream life of American readers young and old He was Edgar Rice Burroughs's favorite among his many creations and remains a favorite of lovers of science fiction and fantasy everywhere

The Collected Writings of Joe Brainard Joe Brainard, 2012-03-29 Discover the works of Joe Brainard whose quirky style earned him a reputation as a recognizable American phenomenon and oddball classicist with a foreword by 4321 author Paul Auster John Ashbery An artist associated with the New York School of poets Joe Brainard 1942 1994 was a wonderful writer whose one of a kind autobiographical work I Remember has had a wide and growing influence It is joined in this major new retrospective with many other pieces that for the first time present the full range of Brainard's writing in all its deadpan wit madcap inventiveness self revealing frankness and generosity of spirit The

Collected Writings of Joe Brainard gathers intimate journals jottings stories one liners comic strips mini essays and short plays many of them available until now only as expensive rarities if at all Brainard disarms us with the seemingly tossed off spontaneous nature of his writing and his stubborn refusal to accede to the pieties of self importance writes Paul Auster in the introduction to this collection These little works are not really about anything so much as what it means to be young that hopeful anarchic time when all horizons are open to us and the future appears to be without limits Assembled by the author's longtime friend and biographer Ron Padgett and including fourteen previously unpublished works here is a fresh and affordable way to rediscover a unique American artist

Lafcadio Hearn: American Writings (LOA #190) Lafcadio Hearn, 2009-03-05 The writings of Hearn's American years reveal an omnivorous curiosity and an always eclectic sensibility Some Chinese Ghosts 1887 is a stylized retelling of ancient legends foreshadowing Hearn's later fascination with Asian themes The exquisitely crafted novels Chita 1889 about the devastation wrought by a Louisiana hurricane and Youma 1890 about a slave rebellion in Martinique epitomize his writing at its most luxuriantly romantic His extraordinary travel book Two Years in the French West Indies 1890 provides a richly impressionistic account of his long stay on Martinique and other Caribbean islands
