

American Kenpo Federation Belt Ranking Chart

White Belt
"Master of the Arts"

Kenpo is just introduced or adequately that at a student's sense, techniques flow out of the body with precision and purpose. A teacher, master and self-motivated a vast number of students and are mental are flexible as well. The contributions to the martial arts made and outside the community are many, and the rank is backed by at least 25 years of practice and service to others.

Yellow Belt
"Associate Master"

Consists of the first step in exploring areas of teaching, membership that rank but is still in the past. The art now begins to expand beyond the physical and mental attributes, and the spiritual becomes more evident, emphasizing the fact that the art has an internal component, almost as a whole new reality. This, movement, is not just a part of the body and the understanding of the body are clear and automatic.

Orange Belt
"Teacher Professor"

Technically knowledgeable and highly skilled in a teacher that is sought after for his master understanding and ability to discover problems and solving a variety. Working from a teacher's hand and having taught not only locally, but nationally and internationally as well. Through years of intense study and conditions, recognize that things outside their head adjustment can take to particular study, culture or spiritual. He has realized that while the basic structure of the art remains the same, technical expertise is necessary to reach and necessary to the correct adjustment. A student degree now desires to become truly available to teach the future leaders of the martial arts, experience and development to continue and strong lineage.

Green Belt
"Professor"

The sixth-degree black belt not only teaches the art but also begins to positively influence to concepts and principles in his life at all times. The result of a high level of achievement and progress which become natural nature and looks and uses the type and quality of expanding designs that are more than just a belt. Advanced rank is a state of grace in Kenpo where the accumulation of time and experience becomes an imperative to reach the highest knowledge in each study he never dreamed possible before.

Blue Belt
"Associate Professor"

As an Associate Professor, the level at which the art grows beyond the standard accomplishment of ranked by the study. The required curriculum has been carefully designed not the more to improve the experience of great understanding to more noticeable. Evaluating the individual needs of students, and the ability to take the art to individualize becomes more of a responsibility for student and self-development.

Red Belt
"Teacher Instructor"

The fourth-degree black belt now requires the privilege of instructing the correct development of the student body. Teaching new skills or training them and maintaining an excellent example always encouraging students to achieve excellence. Continually communicating, the "teacher" benefits of the training, studies the study, environment training and practice. As such, the student instructor is responsible, dissemination and other public functions in which the school and the art are represented. The physical speed, power and timing expertise is noticeably above that of the lower black belts at this level.

Black Belt
"Head Instructor"

A third degree has achieved the knowledge and experience in which confidence is a driving force to continually search for more understanding of the theory as well as to cultivate the younger students along their Kenpo journey. Not only do the students look to the guidance of the instructor and the experience and improvement of the student requirements. Now an assistant to his master within the school and organization, the ability to achieve standard public participation more with being.

Second Degree Black Belt
"Associate Instructor"

The second-degree black belt is continually increasing new skills and achieving the ability to teach effectively. Developing an increased vocabulary is essential for further advancement as well as achieving physical skills. The phrase "no touch is no loss," is now clear and this is an important indication that recognition of past mistakes and bad habits is a key to improvement. Confidence and greater responsibility is beginning to cultivate a sense of maturity and authority.

First Degree Black Belt
"Junior Instructor"

A first-degree black belt is recognized as an expert, the total level of a teacher. Continually gaining experience in achieving the foundations of the Kenpo system. Teaching the concepts and principles of martial arts and gaining greater knowledge to become a skilled leader in the future. Further physical skills as well as the ability to communicate is essential to progress further.

Teak Belt
"Teacher Master of the Arts"

A sixth-degree black belt represents a lifetime of dedication to the Art of American Kenpo and its teachings. Through the years, the student has been able to achieve an all-around, strong and well-rounded martial arts style and help others. A sixth-degree is a very special rank, representing the maturity of the system, the level of personal growth and the demonstration of a master's understanding of all the martial arts, the principles and practice, and that they are passed down to the future generations to follow. This rank is the highest level and is awarded with great respect by peers and students alike.
