International Bestseller Netflix Top Shows:

The Economies of Serious and Popular Art Hans Abbing, 2022-11-28 Combining an economic perspective with sociological and historic insights this book investigates the separation of popular and serious art over a period of almost two centuries As the boundaries between our perceptions of established art and popular become more porous Abbing considers questions such as Who benefitted from the separation Why is exclusivity in the established arts so important Did exclusivity lead to high cost high subsidies and high prices Were and are underprivileged groups excluded from art consumption and production How did popular music become so successful in the second half of the twentieth century Why does the art profession remain extraordinarily attractive for youngsters in spite of low incomes The book also discusses the evolution of art in the twenty first century considering for example how the platform economy affects the arts whether or not the established arts are joining the entertainment industry and the current level of diversity in art Written from the dual perspective of the author as an artist and social scientist the book will be of interest for cultural economists and academics as well as artists and general readers interested in art *Media, Economy and Society* Christian Fuchs, 2023-11-29 This essential guide to the critical study of the media economy in society teaches students how to critically analyse the political economy of communication and the media The book introduces a variety of methods and topics including the political economy of communication in capitalism the political economy of media concentration the political economy of advertising the political economy of global media and transnational media corporations class relations and working conditions in the capitalist media and communication industry the political economy of the Internet and digital media the information society and digital capitalism the public sphere Public Service Media the Public Service Internet and the political economy of media management This will be an ideal textbook for a variety of courses relating to media and communication including Media Economics Political Economy of Communication Media Culture and Society Critical Media and Communication Studies Media Sociology Media Management and Media Business Studies **Valuing Digital Business Designs and Platforms** Thorsten Feix, 2021-09-15 This book develops an interwoven framework for the strategic and financial valuation of digital business designs and platform companies which became game changers for a multitude of ecosystems in the 21st century But also incumbents of traditional industries are challenged by those digital natives and have therefore either to revitalize their business design or facing the risk to be marginalized The business design twin of innovation is resilience to create lasting competitive advantage and capture value for the post pandemic world of the 20s The ultimate idea of the book rests on the hypothesis that only the combination of business design analytics 10C Business Design and the 8 strategic levers of platform strength with intense financial modeling Reverse DCF enables a true understanding of the competitive advantage and value of such business designs Based on a tailored strategic financial conceptual framework a set of high profile new case studies will highlight the working principles and application of the concept **The Best American Mystery and Suspense 2023**

Lisa Unger, Steph Cha, 2023-10-17 A collection of the year's best mystery and suspense short fiction selected by New York Times bestselling author Lisa Unger and series editor Steph Cha. This form has a special kind of magic: the ability to transport you quickly and intensely to capture character, time, place, and story with immediacy. Writes guest editor Lisa Unger in her introduction. The transporting stories in this year's *The Best American Mystery and Suspense* are populated by those who exist on the fringe of our society and want more than what life has dealt them. A haunted veteran turned career criminal is on the run. An injured fighter turned bouncer seeks vengeance for his lost love. An assassin on his last job finds himself questioning his life choices and breaks all the rules to understand his final victim. By turns thrilling and enlightening, each story, according to Unger, will have you holding your breath; flipping the pages will leave you thinking about people and why they do the dark, dangerous, frightening things that they do. *The Best American Mystery and Suspense 2023* includes Ashley Ruth M. Bernier, William Boyle, S. A. Cosby, Jacqueline Freimor, James A. Hearn, Ladee Hubbard, A. J. Jacono, Adam Meyer, Silvia Moreno Garcia, Walter Mosley, Leigh Newman, Joyce Carol Oates, Margaret Randall, Annie Reed, Anthony Neil Smith, Faye Snowden, Jervey Tervalon, Joseph S. Walker, Thaai Walker, Jess Walter. [Exploring the Impact of OTT Media on Global Societies](#)

Kalorth, Nithin, 2024-02-27 In the rapidly evolving landscape of media and communication studies, scholars face a pressing challenge: understanding the profound and transformative impact of Over the Top (OTT) media on global societies. As video content flows directly to viewers over the internet, upending traditional cable and broadcast TV, the complexities of this digital shift pose intricate problems. Enter *Exploring the Impact of OTT Media on Global Societies*, a comprehensive handbook meticulously crafted to address these challenges and provide solutions. This groundbreaking publication seeks to unravel the intricate layers of OTT media, offering a holistic exploration of business models, technological infrastructure, regulatory issues, and the social and cultural implications that define the dynamic OTT industry. Dive into the evolution of OTT media, exploring the seamless delivery of video content and its disruptive influence on traditional media consumption. Uncover the strategies behind the production and distribution of OTT content, emphasizing the role of personalization and recommendation algorithms in shaping audience engagement. Navigate the complex terrain of regulatory and policy issues surrounding OTT media, addressing critical topics such as net neutrality, data privacy, and intellectual property rights. Witness the competitive dynamics of the OTT market, marked by the emergence of new players and their profound impact on traditional media companies. Beyond the technicalities, our book delves into the social and cultural implications of OTT media, revealing shifts in media consumption patterns, the phenomenon of binge watching, and the transformative effects on advertising and marketing strategies.
