Clarke, Gareth Atkins, 2025-08-01 This book focuses on arguably the best known Christian hymn worldwide. From the slave trade to the civil rights movement and from obscurity in its country of origin to global recognition, the origins, history, influence, and legacy of Amazing Grace are uniquely complex. The volume brings together historians, theologians, literary scholars, and musicologists to shed new light on the ways in which the hymn's lyrics, familiar musical setting, and its performance by leading vocalists contribute to its enduring popularity and the meanings and value ascribed to it by diverse communities across time and place. The chapters explore the literary and religious qualities of the text, its relationship with the ubiquitous NEW BRITAIN melody, its adoption and adaptation by famous singers and in Christian churches from South America to Asia. The contributors highlight significant facets of the hymn's origins and legacy while the collection as a whole provides a focused emphasis on the importance of historical, literary, theological, and musical approaches in understanding the ways in which Christian congregational music acquires meaning and influences thought and practice in local and global contexts. Rogers, 2011-02 Caleb Reed is once bitten, twice shy. Abandoned by his wife and left to raise a child alone, he is in need of help while he struggles to further his career. Ariel Lauren is alone and struggling to make it on her own. Rejected and abandoned at birth, she longs for a family. With mutual urgency, Ariel needs a job and Caleb needs a housekeeper. A nosy friend they both claim places the two of them together. As Ariel sets out to run Caleb's home and help raise his eight-year-old son, one calamity after another befalls her. Through it all, Caleb is by her side, his gruff exterior threatening to melt in the face of their shared attraction. In the end, will Caleb allow his heart to be tested? Will Ariel allow herself to believe love is possible even for her? By Valentine's Day, they will decide whether to continue in this life alone or to allow the magic of the season to bring them together and fulfill both their dreams. **Sunday Morning Blended Worship Companion** Victor Labenske, 2016-02-12

The Long Road Home Danielle Harvel, 2012-10-01 Nicole awoke to her own screams shrieking at the very top of her lungs Her voice was distant to her as though she was in a cave Her throat burned with each wail from days of the same The dream awakened her at the same time every morning She lay in a puddle of sweat the perspiration and tears soaking her eyelashes Her heart beat without any rhythm just hurriedly It was like someone striking a key of a typewriter over and over as quickly as possible until the chime would ring announcing the margin had been reached Her whole body ached as though it had been running a race that it was not conditioned for It would only be a moment before her aunt would burst through the doors to make sure she was okay She began taking deep breaths to calm herself and wiped her face furiously She looked around the strange room that was to become her own and felt like a
