Ferguson, 2011-06-09 Book Magic is indispensable for every writer who dreams of publication Easy to read and practical it provides all the information and tools you need to understand the publishing industry and increase your chances of getting commercially published or ably manage your own self publication Books are magic They turn unknown writers into authors and perhaps even into household names But publishing is a complex world full of insider rules and financial constraints that if not respected cause good book ideas to vanish into thin air and writers to question their calling Discover how to weave some spells that boost your chances of getting published explore the wizardry surrounding agents query letters and book proposals and look into a crystal ball at trends in the North American market and in self and electronic publishing Find out how the Canadian and American publishing scenes differ and how approachable medium and small publishers really are Most importantly learn the best publishing option for your project The third edition of the bestselling Book Magic details all you need to know about e publishing in Electronic Sorcery and shows you how to get published in this new medium whether you want to do it yourself or go with a commercial e publisher **Mythologies Without End** Jerome Slater, 2020 The history of modern Israel is a fiercely contested subject From the Balfour declaration to the Six Day War to the recent assault on Gaza ideologically charged narratives and counter narratives battle for dominance not just in Israel itself but throughout the world In the United States and Israel the Israeli cause is

treated as the more righteous one albeit with important qualifiers and caveats In *Mythologies Without End* Jerome Slater a senior scholar on the conflict and a perceptive critic of Israel takes stock of the conflict over time and argues that US policies in the region are largely a product of mythologies that are often flatly wrong Because of their widespread acceptance there have been devastating consequences to the true interests of both countries However the historical truth is very nearly the converse it is Israel and the US that have repeatedly lost discarded or even deliberately sabotaged many opportunities to reach fair compromise settlements of the Arab Israeli and Israeli Palestinian conflicts As Slater reexamines the entire history of the conflict from its onset at the end of WWI through today he argues that a refutation of the many mythologies is a necessary first step toward solving the Arab Israeli conflict Focusing on US role in the conflict this book exposes the self defeating policies of both the US and Israel which have served to prolong the conflict far beyond when it should have been resolved

The Enigmatic Realm of **Amazon Kindle Kindle Amazon Kindle User Guide 3rd Edition**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
