Self-Publishing Your Book Roger Ellerton PhD, CMC, 2014-01-16 I am the author of eight books three paperbacks and eight ebooks Overall I have been successful in getting my books published and sold However I have made mistakes and learned some valuable lessons along the way This book is far from a complete resource on how to write publish and market your books The purpose of my book is to share with you my insights and experiences based on my mistakes and lessons learned In doing so my hope is to save you time and money and make your publishing experience less onerous more enjoyable and hopefully profitable For example do you know that in many countries there is a national organization that collects fees from organizations e g schools government for the right to copy published works These fees are then passed on to the registered authors publishers Note The operating processes and eligibility requirements of these organizations vary from country to country
