

Ambassadors—Time (It's your story ~ Tell it yours)

The Basics

- Creativity Counts refers to content to confidence. Having confidence in our decision to a great building leads toward Ambassadors' strong self-esteem. At the same time, girls are future leaders! The many creative activities along the journey give Ambassadors a variety of resources for exploring their dreams and their potential throughout life.
- Future: Girls explore the connections between dreams and reality, understand the importance of their goals, vision, their story, to dream and live it! Their minds respond to their deepest dream...dreams up a story of your own.
- Inspiration: All Girls create a Culture of Dreamer with colorful paper clouds, symbolizing the beginnings of new adventures, opportunities and dreams.
- Fashion Design: Girls create a piece of clothing using materials at hand that captures their personal "style!" —the uniqueness of themselves and their vision.
- Drawing: Girls use their hearts, hands and heads to create "a symbol of life" that represents their hopes for the world.
- Street Art: Girls create small objects painted with an inspirational message, and learn their beliefs in public places for strength to find

Student Connections

- Ambassadors create their very own 7 legacy badges and the associated journey and career badges. Our Girl Scout Award often takes a substantial amount of working time at the age.

Events to Help and Community Partners

- Get out into the community and explore the diversity around you, and discover their diverse needs.
- Partner with local leaders for ideas.
- Go to a performance show, a music or dance concert, art show or play.
- Go visit a museum.
- Visit local schools and college campus.
- Have a field trip, picnic, or go to local day.
- Go shopping on your day.
- Get to work! If physical, hiking, cycling, ice skating or swimming.

Additional programming ideas for troop meetings

- Project a networking, building a network of people you think would be fun to meet, and perhaps are in a position to give ideas and resources for college and career planning.
- Have every girl write a vision statement for the meeting, and ask her to share her dream.
- Dream boarding: opportunity for the girls, have them each choose a person and "sign in" to meet it.

Other local links

- Community, opening and closing, make the Ambassadors' time together as special and inspire them the rest of their day.
- If this is their last year as Girl Scouts, your group may be also making the bridge to Girl Scout Adult Award Plus. Make it a very special ceremony.
- Create Ambassadors throughout the adult guide and manage consistency, and agree with the network.
- Support girls give the girls a chance to have the with journey related stories.

It's Your Story

- The Dream Maker Award
 - On the journey, Ambassadors have the opportunity to earn the Dream Maker Award, a leadership award that honors exceptional Girl Scouts. Discover Quality is women or girl, or group of women and girls, who would benefit from their assistance in reaching a dream. Choose Girls work together to create a plan for better. Take Action and Take Action!
 - There is a process for Ambassadors. Girls understand that their story can be shared by having their own dream, and they realize that is a good plan for their dream and make it possible for others to do the same.
 - How Ambassadors earn it. At each all leadership award earned as Girl Scout journey, the Dream Maker award gives girls the planning, resources, and resources that they need to achieve the Girl Scout Girl Award, the highest award in Girl Scouts.
 - Steps to the Dream Maker award
 - Have Dreams for Dreamers
 - Make and make a Dreamer (or Dreamer)
 - Define the Dream
 - Give to Girl's
- The matter with dream, the girls have learned, remember that a good Dream Maker project gives them the opportunity to:
 - Learn that building others as a leader Dreamers (and their great team work)
 - How that motivated of their community have diverse needs
 - Support their network Girl Scout team in that project, and to help

Ambassador Bliss Journey

Carol Zaleski

Ambassador Bliss Journey:

Otherworld Journeys Carol Zaleski, 1988-11-03 Dozens of books articles television shows and films relating near death experiences have appeared in the past decade People who have survived a close brush with death reveal their extraordinary visions and ecstatic feelings at the moment they died describing journeys through a tunnel to a realm of light visual reviews of their past deeds encounters with a benevolent spirit and permanent transformation after returning to life Carol Zaleski's *Otherworld Journeys* offers the most comprehensive treatment to date of the evidence surrounding near death experiences The first to place researchers findings first person accounts and possible medical or psychological explanations in historical perspective she discusses how these materials reflect the influence of contemporary culture She demonstrates that modern near death reports belong to a vast family of otherworld journey tales with examples in nearly every religious heritage She identifies universal as well as culturally specific features by comparing near death narratives in two distinct periods of Western society medieval Christendom and twentieth century secular America This comparison reveals profound similarities such as the life review and the transforming after effects of the vision as well as striking contrasts such as the absence of hell or punishment scenes from modern accounts Mediating between the debunkers and the near death researchers Zaleski considers current efforts to explain near death experience scientifically She concludes by emphasizing the importance of the otherworld vision for understanding imaginative and religious experience in general *The Dragon's Tears* Joan M. Miller, 2022-08-05 Fourteen year old Jessica Graves is stuck spending the summer in the countryside with her eccentric Aunt Esmeralda Feeling abandoned by her parents Jessica expects the time to drag with no friends and nothing to do But when her aunt encourages Jessica to read and leaves her alone in a library with towering bookshelves something magical happens Reading has always been hard for Jessica but an ancient looking red leather bound book entices her into its pages quite literally Jessica enters the Kingdom of Glimmer with turreted castles magnificent horses dashing knights and a charming princess and prince who befriend her But this exciting magical realm also holds danger as Jessica navigates uncharted feelings evil spells peculiar dragons and wicked foes with the help of an oddly familiar mentor Throughout the adventure Jessica rises to new challenges forges her own path and realizes that she can be the hero of the story Young teenage readers will recognize their own trials in this coming of age modern fairytale From dealing with insecurity and loneliness to defending others and standing up for herself Jessica discovers the power of love and friendship even when things are turned upside down A charming tale that combines fantasy and magic with empowerment *The Dragon's Tears* is the first book in the Jessica's Quest series *A Journey Through France in War Time* Joseph Green Butler (Jr.), 1917 *Diplomat Among Warriors* Robert Murphy, 2022-06-19 Ever until the end he retired in 1959 a diplomat among warriors this was Bob Murphy's very special role I doubt if any other diplomat has ever had an equivalent one A normal Ambassador is assigned to prevent war or make peace Much of his diplomacy was the diplomacy of war itself He was a devoted first class public servant a

worthy companion to the great soldiers he accompanied His memoirs which include a great deal of fascinating new historical material should be widely read C L Sulzberger The New York Times This important diplomatic memoir provides a wealth of rewarding insights and information about recent events in American foreign relations Murphy s lucid and well written volume will be of great aid to the scholar and of absorbing interest to the general reader Daniel M Smith The Journal of Modern History Robert Murphy s autobiography is more than a personal memoir it is in fact a vivid history of our Foreign Service from an understaffed and inefficient bureau to the finest diplomatic instrument in the world It is an important book consistently readable and thoroughly deserving to be every bit as long as it is Kirkus Diplomat Among Warriors gives a substantial account of the author s participation in the execution of American foreign policy over a period of four eventful decades 1917 1958 The narrative is interesting sometimes exciting and it contains many insights much soul searching and even a few revelations particularly for the period after 1940 The incisive characterization of actions actors and the author s experiences is more dramatic and revealing than a systematic history could be Murphy is an unassuming man But modesty cannot disguise the key role he played in some dramatic events of contemporary history Diplomat Among Warriors is a warm human story written with great charm compassion and lucidity It is a useful source for historians and the narrative is fascinating to the general reader Stephen D Kertesz The Review of Politics

A Journey Through France in War Time Joseph G. Butler, 2019-12-04 In A Journey Through France in War Time Joseph G Butler offers a poignant narrative that intertwines travelogue and memoir during a pivotal moment in history Written against the backdrop of World War I Butler s prose is both evocative and analytical laden with rich descriptions that illuminate the social and cultural landscape of wartime France His keen observations serve to document not only the physical journey through a ravaged country but also the psychological impact war has on its inhabitants The literary style combines a journalistic clarity with lyrical introspection reflective of the broader literary movements of early 20th century modernism Joseph G Butler an American expatriate and seasoned traveler was deeply influenced by the zeitgeist of his times driven by a desire to understand the human condition amid chaos His firsthand experiences in an occupied France allowed him to craft a narrative that is steeped in empathy and critical awareness Butler s background as a journalist and writer equips him with a unique perspective on both the beauty of France s landscapes and the tragedies that unfold within them navigating the delicate balance between admiration and despair This book is highly recommended for anyone seeking a thoughtful exploration of war s impact on culture and identity Butler s journey offers not only a vivid portrayal of France during tumultuous times but also invites readers to ponder the resilience of the human spirit Engage with Butler s insight and you will find a profound reflection on the intersections of travel wartime experience and the complexities of humanity
