Ambivalent Europeans Ritual Memory And The Public Sphere In Malta:

Ambivalent Europeans Jon P. Mitchell, 2001-10 *Ambivalent Europeans* examines the implications of living on the fringes of Europe In Malta public debate is dominated by the question of Europe both at a policy level whether or not to join the EU and at the level of national identity whether or not the Maltese are European Jon Mitchell identifies a profound ambivalence towards Europe and also more broadly to the key processes of modernisation He traces this tendency through a number of key areas of social life gender the family community politics religion and ritual **Ambivalent Europeans** Jon P.

Mitchell, 2012-11-12 *Ambivalent Europeans* examines the implications of living on the fringes of Europe In Malta public debate is dominated by the question of Europe both at a policy level whether or not to join the EU and at the level of national identity whether or not the Maltese are European Jon Mitchell identifies a profound ambivalence towards Europe and also more broadly to the key processes of modernisation He traces this tendency through a number of key areas of social life gender the family community politics religion and ritual **The Europeanisation of Party Politics in Malta** Jean Claude

Cachia, 2023-02-21 This book examines the Europeanisation of party politics in Malta It evaluates the influence of Europeanisation on the political system which is based on two party system polarisation and clientelism Malta is the smallest European Union EU member state which joined the EU in 2004 The road toward membership was fraught with contentious and emotionally charged debates This book explores the relationship between Maltese political parties and the EU the politicisation and framing of the European Union by political parties and the impact of the European Union on Malta s political system The book further discusses more contentious recent events which made headlines at the EU level including the Panama Papers scandals the Individual Investment Programme and the assassination of journalist Daphne Caruana Galizia The book will appeal to students scholars and researchers of political science and international relations interested in a better understanding of electoral studies Europeanisation European integration as well as the Maltese political system and party politics **City Tourism** Robert Maitland, Brent W. Ritchie, 2009 Capital city status attracts and drives tourism by enhancing a city s appeal to the tourist and its international standing With a focus on city tourism themes this book examines subjects including the identity of a city in a tourism context and practical matters such as promoting the city as a product By examining tourist activities in national capitals the book addresses issues in capital city development as tourist destinations with a broad international approach and case studies on major tourist cities *Cult in Context* Caroline Malone, David

Barrowclough, 2010-04-01 Gods deities symbolism deposition cosmology and intentionality are all features of the study of early ritual and cult Archaeology has great difficulties in providing satisfactory interpretation or recognition of these elusive but important parts of ancient society and methodologies are often poorly equipped to explore the evidence This collection of papers explores a wide range of prehistoric and early historic archaeological contexts from Britain Europe and beyond where monuments architectural structures megaliths art caves ritual activity and symbolic remains offer exciting glimpses into

ancient belief systems and cult behaviour Different theoretical and practical approaches are demonstrated offering both new directions and considered conclusions to the many problems of studying the archaeology of cult and ritual Central to the volume is an exploration of early Malta and its intriguing Temple Culture set in a broad perspective by the discussion and theoretical approaches presented in different geographical and chronological contexts

Conviviality in Burgaz Deniz N. Duru, 2024-03-22 This open access book tells stories of conviviality solidarity and everyday management of conflicts and tensions by building on original long term ethnographic research fourteen months in 2009 2010 followed by fieldwork trips until now on Burgaz an island home to more than twenty ethnic and religious groups from different socio economic backgrounds The island provides an excellent case study of post Ottoman conviviality as the homogenisation process during the nation building stage of modern Turkey triggered migrations from the island especially of non Muslims yet the island s population retains elements of its Byzantine and Ottoman diversity The book explores the islanders representation of diversity through ethnographic research media analysis and interviews and shifts the analytical framework of Post Ottoman plurality from coexistence toleration to that of conviviality The author critically engages with the literature on multiculturalism and cosmopolitanism and conceptualises conviviality as both living together in diversity as shared ways of living as well as living with difference The book further explores the relationship between conviviality solidarity coexistence toleration intolerance and nationalism This is an open access book

Kaleidoscopic Odessa Tanya Richardson, 2008-01-01 Kaleidoscopic Odessa provides a detailed account of how local conceptions of imperial cosmopolitanism shaped the city s identity in a newly formed state

[Crafting Contemporary Pagan Identities in a Catholic Society](#) Kathryn Rountree, 2016-05-13 Contemporary western Paganism is now a global religious phenomenon with Pagans in many parts of the world sharing much in common from a nature revering worldview and lifestyle to a host of chants invocations ritual tools and magical practices But there are also locally specific differences Local religious contexts landscapes histories traditions politics values and norms all impact on local Paganisms This is nowhere more evident than in a strongly Catholic society where religion and culture are deeply entwined Taking the Mediterranean society of Malta as a case study this book invites readers inside the world of a small hidden sub culture Showing what it is like being Pagan in a society where the vast majority of the population is Roman Catholic and Catholicism permeates every sphere of public and domestic social and political life Rountree reveals that Paganism here is a unique brew of indigenous and global influences Pagans employ both creativity and borrowing in constructing identities within a cultural context characterized by antagonism as well as continuity This book explores the intersections of religious and cultural identity the global and local Paganism and Christianity with insights grounded in rich ethnographic detail based on long term fieldwork Rountree makes invaluable comparisons with other studies of modern Pagans and their various worlds

Extended Reality in Culture and Creative Industries Almir Peštek, Selma Rizvić, Sanda Soucie, 2025-09-02 From virtual museums that transport visitors to distant historical eras to

augmented reality installations that merge digital art with physical spaces the book uncovers a myriad of innovative applications within the fields of design media fashion gaming and more *Thinking Through Images* Christopher Tilley, 2021-10-13 This book provides a general self reflexive review and critical analysis of Scandinavian rock art from the standpoint of Chris Tilley s research in this area over the last thirty years It offers a novel alternative theoretical perspective stressing the significance of visual narrative structure and rhythm using musical analogies putting particular emphasis on the embodied perception of images in a landscape context Part I reviews the major theories and interpretative perspectives put forward to understand the images in historical perspective and provides a critique discussing each of the main types of motifs occurring on the rocks Part II outlines an innovative theoretical and methodological perspective for their study stressing sequence and relationality in bodily movement from rock to rock Part III is a detailed case study and analysis of a series of rocks from northern Bohuslän in western Sweden The conclusions reflect on the theoretical and methodological approach being taken in relation to the disciplinary practices involved in rock art research and its future
