Imperiled Whiteness Penelope Ingram, 2023-06-23 In *Imperiled Whiteness* Penelope Ingram examines the role played by media in the resurgence of white nationalism and neo Nazi movements in the Obama to Trump era As politicians on the right stoked anxieties about whites losing ground and being left behind media platforms turned whiteness into a commodity that was packaged and disseminated to a white populace Reading popular film and television franchises Planet of the Apes Star Trek and The Walking Dead through political flashpoints such as debates over immigration reform gun control and Black Lives Matter protests Ingram reveals how media cultivated feelings of white vulnerability and loss among white consumers By exploring the convergence of entertainment news and social media in a digital networked environment Ingram demonstrates how media s renewed attention to imperiled whiteness enabled and sanctioned the return of overt white supremacy exhibited by alt right groups in the Unite the Right rally in Charlottesville in 2017 and the Capitol riots in 2021

Commerce Banking Book Dheeraj Kumar Singh, **Equal Pay** ,2008 **Missional fatherhood as praxis to Christian families who grapple with father absence** Fazel Ebrihiam Freeks, 2021-12-01 All human beings are made in the image of God and form part of God s creation Families per se are valuable to God and they can be infused with God given solutions biblically based to the challenges they are facing One of these challenges are father absence and it is a devastated social ill in many communities Even so missional fatherhood can be a buffer against father absence un involvement of fathers and numerous family issues Missional fathers are filled with a God given mission aiming to instil a love for Christ in the hearts of their children They are not only called but obliged to lead sacrificial lives for the sake of their families Their hearts engage with their children on aspects in life that matters the most Transforming their minds by the Word of God and serving God the Father is far reaching Missional fathers are not only disciple makers in their homes but also in their respective communities This present day notion is God s calling on every father to be part of the Gospel and God s holistic mission and is in response to Jesus s Great Commission to make disciples of all people including families All who decided and turn to the way of Jesus Christ form part of the mission that God had given the Son *Assyrian and Babylonian Scholarly Text Catalogues* Ulrike Steinert, 2018-06-11 The reconstruction of ancient Mesopotamian medical ritual and omen compendia and their complex history is still characterised by many difficulties debates and gaps due to fragmentary or unpublished evidence This book offers the first complete edition of the Assur Medical Catalogue an 8th or 7th century BCE list of therapeutic texts which

forms a core witness for the serialisation of medical compendia in the 1st millennium BCE The volume presents detailed analyses of this and several other related catalogues of omen series and rituals constituting the corpora of divination and healing disciplines The contributions discuss links between catalogues and textual sources providing new insights into the development of compendia between serialization standardization and diversity of local traditions Though its a novel corpus based approach this volume revolutionizes the current understanding of Mesopotamian medical texts and the healing disciplines of conjurer and physician The research presented here allows one to identify core text corpora for these disciplines as well as areas of exchange and borrowings between them *Pandora's Box* Peter Biskind, 2023-11-07 AN ECONOMIST BOOK OF THE YEAR From The Sopranos to streaming the scandalous behind the screens story of the TV revolution by the author of the cult film classic Easy Riders Raging Bulls The revolution has been televised From The Sopranos to Stranger Things the shows we watch and the ways we watch them have been transformed over the past fifty years Out of the bland wasteland of play it safe broadcasting came astonishing stories of sex violence and corruption shown first on cable and then by way of streaming Today the power of viewers to select what they want and when they want it is greater than ever before In short we are living in a new golden age of television but golden ages don't last forever Revolutions have a habit of eating their own and the era of peak TV may have an unhappy ending Pandora's Box is a major new account of the small screen from cultural critic Peter Biskind Through exclusive candid and colourful interviews with writers showrunners directors and actors Biskind brings us face to face with the people whose creations we encounter every day on our sofas and reveals the dynamic interplay of art commerce and technology We follow executives down the corridors of power and see how their money and guile cultivate then crush creativity we witness the making and unmaking of TV's biggest hits There has never been a more exciting time in entertainment history and Peter Biskind the ideal insider guide captures it all Fracking David E. Newton, 2015-01-16 The use of fracking is a tremendously important technology for the recovery of oil and gas but the advantages and costs of fracking remain controversial This book examines the issues and social economic political and legal aspects of fracking in the United States Hydraulic fracturing of oil and gas wells known commonly as fracking has been in use in the United States for more than half a century In recent years however massive expansion of shale gas fracturing across the nation has put fracking in the public eye Is fracking a win win like its proponents say or are there significant costs and dangers associated with the use of this energy production technology This book examines fracking from all angles addressing the promise of the United States becoming energy independent through the use of the process to tap the massive amounts of natural gas and oil available as well as the host of problems associated with fracking groundwater contamination and increased seismic activity just to mention two that raise questions about the long term feasibility of the process as a source of natural gas The first part of the book provides a historical background of the topic a review of technical information about fracking and a detailed discussion of the social economic political legal and

other aspects of the current fracking controversy The second part of the book provides a host of resources for readers seeking to learn even more in depth information about the topic supplying a chronology glossary annotated bibliography and profiles of important individuals and organizations Written specifically for students and young adults the content is accessible to readers with little or no previous knowledge regarding fracking *Rethinking the Fabric of Geology* Victor R. Baker, 2013-11-07 The 50 years since the publication of *Fabric of Geology* edited by C C Albritton Jr have seen immense changes in both geology and philosophy of science *Rethinking the Fabric of Geology* explores a number of philosophical issues in geology ranging from its nature as a historical science to implications for geological education Provided by publisher
