A. **Walter Dill** English colonists, ideas about the role and shape of government influenced the growth of the colonies, the form that **institutions** and the system of government can have today.

1. **English**, **Christian**, culture and **influenced** from biblical law made an important contribution to the founding principles and development of the United States.

2. The principle that a government's power is derived absolutely from the **Magna Carta**, which the English people have regarded as a guarantee of **English**, **government**.

3. The English **Bill of Rights** and other documents that announced and confirmed constitutional documents applied to them and gave them the same rights as people living in Britain.

4. The English system of **law**, especially as organized by the **Parliament**, was widely followed in the colonies.

5. **English** **Parliament**, with delegates representing the people, was a familiar example of **representative** government, but they criticized it.

6. Thomas Hooker developed the **Social**, **Contract**, theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have **natural**, **rights**, as human beings and a government that failed to protect them has lost its legitimacy.

8. James Madison called **man**, **interests**, **interests**, behind the basic rights and responsibilities and argued that people do so voluntarily, cooperatively, and as a result created the private life rights while creating law and government.

9. Charles Louis de Montesquieu suggested **separation**, the powers of government.

10. **Walter Dill** said that the English colonies had the same government structure.
