Podcasting Michele Hilmes, Andrew Bottomley, 2024 Radio today remains the most accessible and widely available communication medium worldwide despite technological shifts and a host of upstart challengers Since its origins in the 1920s radio has innovated a new world of sound culture now expanded into the digital realm of podcasting that is enabling the medium to reach larger audiences than ever before Yet radio remains one of the least studied of the major areas of communication arts due largely to its broadcast era ephemerality With the advent of digital technology radio s past has been unlocked and soundwork is exploding as a creative field creating a lively and diverse sonic present while simultaneously making critical historical analysis possible at last This volume offers newly commissioned chapters giving readers a wide

ranging view of current critical work in the fields of radio and podcasting employing specific case studies to analyze sound media's engagement with the arts with the factual world of news talk and documentary programming as a primary means of forging community along with national transnational and alternative identities and as a subject of academic and critical research Its historical scope extends from radio's earliest days through its mid twentieth century decades as the powerful voice of nations and empires onto its transformation into a secondary medium during the television era and into the expanding digital present Over the course of 37 chapters it provides evidence of the sound media's flexibility and adaptation across diverse cultures by examining radio's past and present uses in regions including the United States Canada Britain Australia Poland China Korea Kenya Angola and Mozambique South Asia and the Caribbean Contributors include historians and media scholars as well as sound artists and radio podcast producers Notably companion links to digital quotations from works analyzed are included in many chapters along with chapter audiographies offering links to further listening Throughout The Oxford Handbook of Radio and Podcasting connects radio's broadcast past to its digital present and traces themes of creativity identity community nation and transnationality across more than a century of audio media

Rethinking the Music Business Guy Morrow, Daniel Nordgård, Peter Tschmuck, 2022-09-07 COVID 19 had a global impact on health communities and the economy As a result of COVID 19 music festivals gigs and events were canceled or postponed across the world This directly affected the incomes and practices of many artists and the revenue for many entities in the music business Despite this crisis however there are pre-existing trends in the music business the rise of the streaming economy technological change virtual and augmented reality blockchain etc and new copyright legislation Some of these trends were impacted by the COVID 19 crisis while others were not This book addresses these challenges and trends by following a two pronged approach the first part focuses on the impact of COVID 19 on the music business and the second features general perspectives Throughout both parts case studies bring various themes to life The contributors address issues within the music business before and during COVID 19 Using various critical approaches for studying the music business this research based book addresses key questions concerning music contexts rights data and COVID 19 Rethinking the music business is a valuable study aid for undergraduate and postgraduate students in subjects including the music business cultural economics cultural management creative and cultural industries studies business and management studies and media and communications

The Story of the Christmas No. 1 Marc Burrows, 2025-02-10 The Story of the Christmas No 1 is more than just a nostalgic music book It subtly explores pop culture and social history examining our relationship with Christmas how our national identity is reflected in the music we listen to together and how the music industry has changed It also reveals how the Christmas No 1 reflects the current social reality of today and how technology and culture have reshaped the way music is consumed Marc Burrows explores the peculiarly British cultural phenomenon of the Christmas single's chart Why is it seen as so ubiquitous and so relatable to the audience that it's literally a plot point in

Love Actually The festive top spot was something that prior to 1973 wasn't particularly important but has since become a cornerstone of the December news cycle and for years an annual cultural moment that may have reached the end of its life He traces the origins of the concept through the Beatles and the years when it wasn't really a thing the Glam rock boom Band Aid novelty records the X Factor years and the awful Sausage Roll charity records of the 2020s supported by interviews with figures involved in some of the most iconic hits and notable chart battles of the past half century and obsessive in depth research He explores the sometimes fascinating and sometimes weird and unlikely stories behind some of the most beloved and some of the most utterly loathed songs in British musical history

The War on Common Sense Conrad Riker, 101-01-01 They Want You Weak Silent and Compliant It's Time to Fight Back Do you feel bombarded by climate hysteria feminist dogma and globalist policies designed to strip you of power Are you tired of being labeled toxic for embracing masculinity while elites dismantle the foundations of civilization What if the climate emergency gender equality and sustainability were lies to control you not save the planet Unmask the billion dollar industries profiting from fear and fake science Learn why green energy scams and carbon taxes are engineered to bankrupt you Discover how globalists weaponize feminism to destroy families and male authority Expose the depopulation agenda hiding behind climate action and woke philanthropy Defend your rights against censorship false accusations and legal enslavement Reject the lies that paint masculinity as a flaw and reclaim your evolutionary birthright Decode the playbook used to replace national sovereignty with dystopian global governance Arm yourself with tactics to resist rebuild and rally others to your cause If you want to break free from the lies reclaim your sovereignty and join the rebellion against humanity's greatest threats buy this book today before they ban it
