Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Bossa Mundo** K. E. Goldschmitt,2020 Brazilian music has

been central to Brazil s national brand in the U S and U K since the early 1960s From bossa nova in 1960s jazz and film through the 1970s fusion and funk scenes the world music boom of the late 1980s and the bossa nova remix revival at the turn of the millennium and on to Brazilian musical distribution and branding in the streaming music era Bossa Mundo Brazilian Music in Transnational Media Industries focuses on watershed moments of musical breakthrough exploring what the music may have represented in a particular historical moment alongside its deeper cultural impact Through a discussion of the political meaning of mass mediated music author K E Goldschmitt argues for a shift in scholarly focus from viewing music as simply a representation of Otherness to taking into account the broader media environment where listeners and intermediaries often have conflicting priorities Goldschmitt demonstrates that the mediation of Brazilian music in an increasingly crowded transnational marketplace has lasting consequences for the creative output celebrated by Brazil Like other culturally rich countries in Latin America such as Cuba Mexico and Argentina Brazil has captured the imagination of people in many parts of the world through its music driving tourism and international financial investment while increasing the country s prominence on the world stage Nevertheless stereotypes of Brazilian music persist especially those that valorize racial difference Featuring interviews with key figures in the transnational circulation of Brazilian music and in depth discussions of well known Brazilian musicians alongside artists who redefine what it means to be a Brazilian musician in the twenty first century Bossa Mundo shows the pernicious effects of branding racial diversity on musicians and audiences alike **The Partnership Economy** David A.
