Gabriel spends much of his life as a puzzling enigma to his parents but when he becomes unlocked by jazz music his mother finds herself taking him into jazz clubs at all hours of the night where he becomes a favorite patron There is a fierce beauty in the isolation that envelops these two people as they wait out the nighttime hours which Mutch compares to the isolation of polar explorer Admiral Richard Byrd His story interwoven here brings insight into the profound experience of physical isolation and creates a shared language for the experience of feeling alone Through these three main characters mother son adventuring explorer Mutch triangulates overlapping and layered themes of solitude that enlighten and uplift one another
