Airport Learnerships For 2015

Verité Reily Collins

Airport Learnerships For 2015:

Multinational Interest & Development in Africa Ilan Bijaoui, 2017-02-17 This book analyzes the current economic situations in African countries at the local regional and national level It examines the growing interest from developed and developing countries to invest in Africa and their different reasons for doing so which aren't always aligned with the interests of African countries Growth in African GDP has benefitted mainly multinational corporations while the rest of the population remains at the subsistence level creating a smaller middle class and less opportunity for local businesses to flourish This book offers potential models of cooperation which could create added value for both African countries and the MNCs investing in them

Careers in Airlines and Airports Verité Reily Collins, 2002 Covering the range of jobs available both in the air and as part of the ground staff this text is designed for anyone wanting to find a job working in the airline and airport industries Examining topics from cabin crew to air traffic control the book explains what each job entails the various interview processes and practical advice on how to get into each particular career
