Survivors James Wesley Rawles, 2012-09-25 America is in the thrall of a full scale socioeconomic breakdown In this chaotic environment a few families and individuals must struggle not only to survive day by day but defend themselves against their fellow man **Arms** Andrew Somerset, 2015-09-15 After a fifteen year hiatus from the world of guns journalist sports shooter and former soldier A J Somerset no longer fit in with other firearm enthusiasts There was a culture much different than the one he remembered a culture more radical less tolerant and more immovable in its beliefs as if each gun had come with a free bonus ideological Family Pack of political tenets a ready made identity To find the origins of this surprising shift Somerset began mapping the cultural history of guns and gun ownership in North America *Arms The Culture and Credo of Gun* is the brilliant result How were firearms transformed from tools used by pioneers into symbols of modern manhood Why did the NRA's focus shift from encouraging responsible gun use to lobbying against gun safety laws What is the relationship between gun ownership and racism in America How have the film television and video game industries molded our perception of gun violence When did the fear of gun seizures arise and how has it been used to benefit arms manufacturers lobbyists and the far right Few ideas divide communities as much as those involving firearms and fewer authors are able to tackle the subject with the same authority humor and intelligence Written from the unique perspective of a gun lover who's disgusted with what gun culture has become *Arms* is destined to be one of the most talked about books of the year **Gun Control Issues** S. Pontonne, 1997 Perhaps no issue is more controversial and significant in today's society than gun control Even the words themselves are controversial Proponents of effective gun control point out that where ever there is gun regulation in the world there seems to be a clear lower rate of violent crime Opponents of gun control point out that it is difficult if not impossible to stop guns from falling into the hands of high risk individuals This superb book gathers the pro's the con's and the data and puts it into an understandable presentation Wilson V. Cook County, 2011

terrorists brutal attacks Now survival means fighting his way through the crowded city ambush by lethal ambush and staying one step ahead of a traitor moving in for the kill With the death toll rising the Executioner will have to play one last gamble to restore the region s rightful government and send this unholy gang of jihadists into fiery oblivion **The Crossland**
