Al Bidaya Wa L Nihaya English

Heather N. Keaney

Al Bidaya Wa L Nihaya English:

The Author and His Doubles Abdelfattah Kilito, 2001-11-01 Michael Cooperson's translation makes Abdelfattah Kilito's masterpiece available to English speaking audiences for the first time. Called the most inventive and provocative critic of Arabic literature writing in the Middle East today, Kilito opens our perception with the same breadth of vision seeking to define the traditional and historical forces that bind one writer to another and that inextricably link an author to a text. This volume benefits from Cooperson's accomplished translation. While rigorously precise, it also allows the wit and humor and the lyricism of Kilito's prose full expression. Drawing on major themes of classical Arabic literature, the essays use simple poetic language to argue that genre, not authorship, is the single most important feature of classical works. Kilito discusses love, poetry, and panegyric, the Prophet's Hadith, and the literary anecdote, as well as offering novel readings of recurrent themes such as memorization, plagiarism, forgery, and dream visions of the dead.

The Politics of Knowledge in Premodern Islam Omid Safi, 2006-05-26 The eleventh and twelfth centuries comprised a period of great significance in Islamic history. The Great Saljuqs, a Turkish speaking tribe hailing from central Asia, ruled the eastern half of the Islamic world for a great portion of that time. In a far-reaching analysis that combines social, cultural, and political history, Omid Safi demonstrates how the Saljuqs tried to create a lasting political presence by joining forces with scholars and saints among them a number of well-known Sufi Muslims who functioned under state patronage. In order to legitimize their political power, Saljuq rulers presented themselves as champions of what they alleged was an orthodox and normative view of Islam. Their notion of religious orthodoxy was constructed by administrators in state-sponsored arenas such as madrasas and khanaqahs. Thus, orthodoxy was linked to political loyalty, and disloyalty to the state was articulated in terms of religious heresy. Drawing on a vast reservoir of primary sources and eschewing anachronistic terms of analysis such as nationalism, Safi revises conventional views both of the Saljuqs as benevolent Muslim rulers and of the Sufis as timeless, ethereal mystics. He makes a significant contribution to understanding premodern Islam as well as illuminating the complex relationship between power and religious knowledge.

The Story of the Banned Book

Mohamed Shoair,2022-05-03 An award winning account of Nobel laureate Naguib Mahfouz s most controversial novel and the fierce debates that it provoked Naguib Mahfouz s novel Children of the Alley has been in the spotlight since it was first published in Egypt in 1959 It has been at times banned and at others allowed sold sometimes under the counter and sometimes openly on the street often pirated and only recently legally reprinted It has inspired anxiety among the secular authorities rage within the religious right and a drawing of battle lines among Arab intellectuals and writers It dogged Mahfouz like a curse throughout the remainder of his career led to his attempted assassination and sparked a public debate that continues to this day even after the author s death in 2006 It is Egypt s iconic novel in whose mirror millions have seen themselves their society and even the universe some finding truth others blasphemy In this award winning account Mohamed Shoair traces the story of Mahfouz s novel as a cultural and political object from its first publication to the present via Mahfouz s award of the Nobel prize for literature in 1988 and the attempt on his life in 1994 He presents the arguments that swirled about the novel and the wide cast of Egyptian figures from state actors to secular intellectuals and Islamists who took part in them He also contextualizes the interactions among the principal characters interactions that have done much to shape the country s present Extensively researched and written in a lucid accessible style The Story of the Banned Book is both a gripping work of investigative journalism and a window onto some of the fiercest debates around culture and religion to have taken place in Egyptian society over the past half century

An Anxious Inheritance

Aaron W. Hughes,2022 An Anxious Inheritance examines the role of the ever expandable category of non Muslims in early Islam It demonstrates how the Qur an functioned as both a script to understand them and as a map to classify them and this category s role in shaping

Sunni orthodoxy This orthodoxy was considered natural but in fact it was based on retroactive back projections Non Muslims and the wrong kinds of Muslims became integral to understanding what true religion was not and what it should be These non Muslims were rarely real individuals or groups rather they functioned as textual foils that could be conveniently orchestrated and ultimately controlled to facilitate self definition

The Caliph and the Imam Toby

Matthiesen,2023-02-07 The authoritative account of the sectarian division that for centuries has shaped events in the Middle East and the Islamic world In 632 soon after the prophet Muhammad died a struggle broke out among his followers as to who would succeed him The majority argued that the new leader of Islam should be elected by the community s elite Others believed only members of Muhammad s family could lead This dispute over who should guide Muslims the appointed Caliph or the bloodline Imam marks the origin of the Sunni Shii split in Islam Toby Matthiesen explores this hugely significant division from its origins to the present day Moving chronologically his book sheds light on the many ways that it has shaped the Islamic world outlining how over the centuries Sunnism and Shiism became Islams two main branches particularly after the Muslim Empires embraced sectarian identity It reveals how colonial rule institutionalised divisions between Sunnism and Shiism both on the Indian subcontinent and in the greater Middle East giving rise to pan Islamic resistance and Sunni and Shii revivalism It then focuses on the fall out from the 1979 revolution in Iran and the US led military intervention in Iraq As Matthiesen shows however though Sunnism and Shiism have had a long and antagonistic history most Muslims have led lives characterised by confessional ambiguity and peaceful co existence Tensions arise when sectarian identity becomes linked to politics Based on a synthesis of decades of scholarship in numerous languages The Caliph and the Imam will become the standard text for readers looking for a deeper understanding of contemporary sectarian conflict and its historical roots

The Book of the Jihad of 'Ali ibn Tahir al-Sulami (d. 1106) Niall Christie,2017-07-05 In 1105 six years after the first crusaders from Europe conquered Jerusalem a Damascene Muslim jurist named Ali ibn Tahir al Sulami d 1106 publicly dictated an extended call to the military jihad holy war against the European invaders Entitled Kitab al Jihad The Book of the Jihad al Sulami s work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted covering topics as diverse as who should fight and be fought treatment of prisoners and plunder and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy Al Sulami s text is vital for a complete understanding of the Muslim reaction to the crusades providing the reader with the first contemporary record of Muslim preaching against the crusaders However until recently only a small part of the text has been studied by modern scholars as it has remained for the most part an unedited manuscript In this book Niall Christie provides a complete edition and the first full English translation of the extant sections parts 2 8 9 and 12 of the manuscript of al Sulami s work making it fully available to modern readers for the first time These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience the precedents that influenced his work and possible

directions for future study of the text In addition an appendix provides translations of jihad sermons by Ibn Nubata al Fariqi d 985 a preacher from Asia Minor whose rhetorical style was highly influential in the development of al Sulami s work

Medieval Islamic Historiography Heather N. Keaney, 2013-07-18 This book is a comparative analysis of the medieval Sunni historiography of the caliphate of Uthman b Affan and the revolt against him By comparing treatments of Uthman in pietistic literature and universal chronicles the work traces the gradual silencing of more critical accounts in favor of those that portray Uthman as a saintly companion of the Prophet Muhammad Through a comparative analysis of authors between genres and time periods this book shows how authors were able to convey their personal perspectives on important religious political tensions that emerged through the revolt against Uthman namely the tension between Sunnis and Shiis religious and political authority and appeals to maintain stability and unity vs appeals for greater justice This last debate which in many ways began with the revolt against Uthman has been repeated most recently in the Arab Spring This work therefore provides readers with helpful historical context for important contemporary debates

A History of the 'Alawis Stefan Winter, 2016-10-04 The Alawis or Alawites are a prominent religious minority in northern Syria Lebanon and southern Turkey best known today for enjoying disproportionate political power in war torn Syria In this book Stefan Winter offers a complete history of the community from the birth of the Alawi Nusayri sect in the tenth century to just after World War I the establishment of the French mandate over Syria and the early years of the Turkish republic Winter draws on a wealth of Ottoman archival records and other sources to show that the Alawis were not historically persecuted as is often claimed but rather were a fundamental part of Syrian and Turkish provincial society Winter argues that far from being excluded on the basis of their religion the Alawis were in fact fully integrated into the provincial administrative order Profiting from the economic development of the coastal highlands particularly in the Ottoman period they fostered a new class of local notables and tribal leaders participated in the modernizing educational political and military reforms of the nineteenth century and expanded their area of settlement beyond its traditional mountain borders to emerge from centuries of Sunni imperial rule as a bona fide sectarian community Using an impressive array of primary materials spanning nearly ten centuries A History of the Alawis provides a crucial new narrative about the development of Alawi society

Syrian Ismailism Nasseh Ahmad Mirza, 2018-10-24 This book is a welcome addition to an all too scant literature on the Ismaili communities of Syria In addition to a wide reading of Arabic sources and a deep familiarity with the existing scholarly literature Professor Mirza also brings to light new manuscripts illuminating this history Syrian Ismailism tells the little known story of the adaptability and survival of Ismailis in Syria in an era which seems as complex and difficult as our own The late eleventh and twelfth centuries brought severe troubles including the decline of the Fatimids divisions among the Ismailis the Saljuq Sunni conquest of much of the Middle East and the Crusades

Al Bidaya Wa L Nihaya English Introduction

In today's digital age, the availability of Al Bidaya Wa L Nihaya English books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Al Bidaya Wa L Nihaya English books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Al Bidaya Wa L Nihaya English books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Al Bidaya Wa L Nihaya English versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Al Bidaya Wa L Nihaya English books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Al Bidaya Wa L Nihaya English books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Al Bidaya Wa L Nihaya English books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Al Bidaya Wa L Nihaya English books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Al Bidaya Wa L Nihaya English books and manuals for download and embark on your journey of knowledge?

FAQs About Al Bidaya Wa L Nihaya English Books

1. Where can I buy Al Bidaya Wa L Nihaya English books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
