

Extreme Alaska Gold Mining Adventure

Alaska Gold Mining 2012 Toyota Tacoma

Charles River Charles River Editors

Alaska Gold Mining 2012 Toyota Tacoma:

The Value Line Investment Survey, 1995 *M.D.K. Weimer's True Story of the Alaska Gold Fields* M. D. K. Weimer, 1903 **Alaska Gold! Alaska Gold! Gold! Gold!** Philadelphia-Alaska Commercial and Gold Mining Syndicate, 1899 *The Alaska Gold Rush* David Wharton, 1972 Reconstructs the personalities events trading settlements and major strikes which produced the Alaska gold mining boom *The Alaska Gold Mining and Exploration Co* Alaska Gold Mining and Exploration Co, 1898 *An Alaskan Gold Mine* Leland Carlson, 2015-08-01 An Alaskan Gold Mine The Story of No 9 Above is a notable and tragic story of the discovery of Alaska gold in 1898 The mine had so many implications for leaders and institutions of the Evangelical Covenant Church a tangled and contested case of ownership extending over two decades that went to the Supreme Court of the United States on four occasions Visiting Alaska three times doing meticulous research into legal proceedings and conducting oral interviews Carlson succeeded in crafting a compelling narrative of gold grief and greed An Alaskan Gold Mine The Story of No 9 Above remains a classic case study of the Alaska gold rush as a whole as well as the particular context of issues and personalities unique to the bonanza claim staked by a Covenant missionary on Anvil Creek above the boomtown Nome **Gold Fields of the Klondike and the Wonders of Alaska** Ernest Ingersoll, 1897

Prospectus of the Klutena Gold Mining Company of Alaska Klutena Gold Mining Company of Alaska, 1898* **The Klondike Gold Rush** Charles River Charles River Editors, 2017-01-11 Includes pictures Includes accounts of the gold rush written by participants Includes a bibliography for further reading Includes a table of contents Alaska is the land of the Nineteenth Century Argonauts and the Golden Fleece hidden away among its snowcapped and glacier clad mountains is not the pretty creation of mythological fame but yellow nuggets which may be transformed into the coin of the realm The vast territory into which these hardy soldiers of fortune penetrate is no less replete with wonders than the fabled land into which Jason is said to have led his band of adventurers There is this difference however between the frozen land of the North and the fabled land of mythology There is nothing conjectural about Alaska or its golden treasure Jason led his band into an unknown country without the certain knowledge that the treasure he was seeking was there A C Harris author of *Alaska and the Klondike Gold Mines* 1897 One of the most important and memorable events of the United States westward push across the frontier came with the discovery of gold in the lands that became California in January 1848 Located thousands of miles away from the country's power centers on the East Coast at the time the announcement came a month before the Mexican American War had ended but it brought an influx of an estimated 90 000 Forty Niners to the region in 1849 hailing from other parts of America and even as far away as Asia All told an estimated 300 000 people would come to California over the next few years as men dangerously trekked thousands of miles in hopes of making a fortune and in a span of months San Francisco's population exploded making it one of the first mining boomtowns to truly spring up in the West This was a pattern that would repeat itself across the West anytime a mineral discovery was made from the Southwest and Tombstone to

the Dakotas and Deadwood Of course it was all made possible by the collective memory of the original California gold rush when gold was discovered in the Yukon and Alaska almost 50 years after the rush in California it drew tens of thousands of prospectors despite the unforgiving climate Mineral resources had gone a long way in the United States acquiring Alaska a generation earlier but the lack of transportation kept all but the most dedicated from venturing into the Yukon and Alaska until the announcement of the gold rush For a few years the attention turned to the Northwest and thanks to vivid descriptions by writers like Jack London the nation became intrigued with the idea of miners toughing out the winter conditions to find hidden gold Of course despite the mythology and the romantic portrayals that helped make the Klondike Gold Rush most of the individuals who came to make a fortune struck out instead The gold rush was a boon to business interests which ensured important infrastructure developments like the railroad and the construction of westward paths but ultimately it also meant that big business reaped most of the profits associated with mining the gold While the miners are often remembered for panning gold out of mountain streams it required advanced mining technology for most to make a fortune Nevertheless the Klondike Gold Rush and other gold rushes were emblematic of the American Dream and the notion that Americans could obtain untold fortunes regardless of their previous social status As historian H W Brands put it The old American Dream was the dream of the Puritans of Benjamin Franklin s Poor Richard of men and women content to accumulate their modest fortunes a little at a time year by year by year The new dream was the dream of instant wealth won in a twinkling by audacity and good luck While the gold rush may not have made every miner rich the events still continue to influence the country s collective mentality

Treadwell Gold Sheila Kelly, 2010-05-15 A century ago Treadwell Alaska was a featured stop on steamship cruises a rich up to date town that was the most prominent and proud in all Alaska Its wealth however was founded on the remarkably productive gold mines on Douglas Island and when those caved in and flooded in the early decades of the twentieth century Treadwell sank into relative obscurity Treadwell Gold presents first person accounts from the sons and daughters of the miners machinists hoist operators and superintendents who together dug and blasted the gold that made Treadwell rich Alongside these stories are vintage photos that capture both the industrial vigor of the mines and the daily lives that made up Treadwell society The book will fascinate anyone interested in Alaskan history or the romance of gold mining s past
