**Alcoholics Anonymous** Dick B., Ken B., 2012-12-20 Pioneer Stories in Alcoholics Anonymous God's Role in Recovery. Confirmed by Dick B and Ken B presents many quotations from the 29 personal stories included in the first edition of Alcoholics Anonymous. Those stories by many of AA's pioneers testify to roles played by God, His Son Jesus Christ and the Bible in early AA's astonishing successes with medically incurable alcoholics. **The Akron Genesis of Alcoholics**

**Anonymous** Dick B., 1998 Dick B is a writer, historian, Bible student, retired attorney and active recovered member of AA. He has sponsored more than 100 men in their recovery. Dick has devoted 18 years of his life to researching the spiritual roots of AA and has now published 33 titles on the subject with more to come. His special attention to the early Akron program which had a documented 75% success rate among seemingly hopeless medically incurable real alcoholics who went to any lengths to establish their relationship and fellowship with the Creator has made this a landmark study resource of students of Old School AA students who want to utilize the program and achieve the successes of the 1930's. **Alcoholics Anonymous**

Bill W., 2019-03-20 Many thousands have benefited from The Big Book and its simple but profound explanation of the doctrines behind Alcoholics Anonymous which was founded in 1935 by Bill Wilson and Dr Bob Smith. This original 1939 edition outlines the famous 12 steps and offers counsel for those who wish to join the program but doubt the existence of a higher power. It also contains encouraging personal stories in which AA members relate their experiences with alcohol and how they found the path to sobriety. The Big Book has gone through numerous editions and remains the most widely used resource for recovering alcoholics. Only this original 1939 edition includes all 29 stories of the program's pioneers which share the details of their full journey including initial recovery, sometimes followed by relapse and eventual success. This edition also features the key to the solution claimed by Bill Wilson, a vital spiritual experience that allows followers to rediscover or discover God. This realistic portrayal of the program as offered by its founders has been lost in subsequent editions of the work and is presented here to serve as a reminder that success comes in many forms. *Why Early A.A.*
