

Watch me. I'm the most important guy in this bestiary.

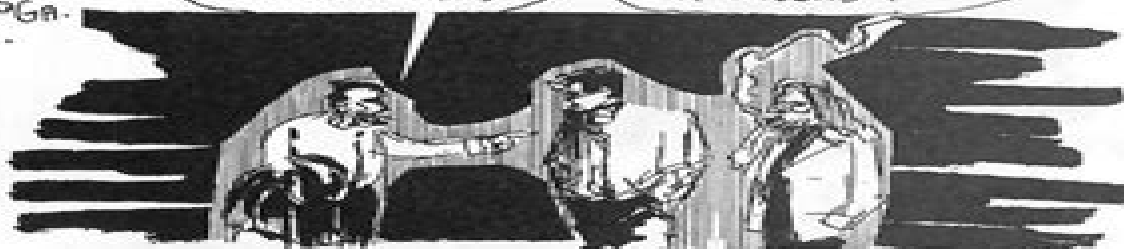

Grrrooga.

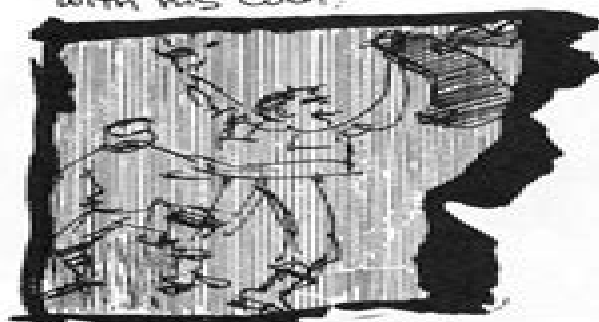

I walk with a forward tilt and cut through brick walls with my beak! But here I am adopting the human position to listen to a drunk named Jimmy Fulton.

All's for the best in the best of all possible worlds

That's from Candide - an' ye know what it means?

"It means the situation ye're in's the one ye deserve to be in" he says while two kids make off with his coat.

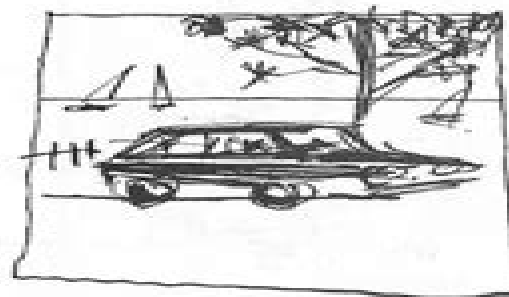

I think about those scratches on her back.

Penny said she'd come to dinner Sunday, me thinking she might bring something - we argue about it. She's for hamburgers - I'm for cooking up something.

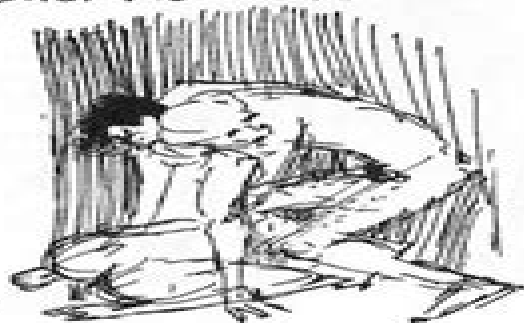

The paw-mark on her shoulder - not one of mine.

We compromise by getting in a heap of chips. In the car I moan about the dripping grease.

Today I'm reading a book that tells me to move on to new adventures. Tomorrow I'm reading another book.

Grrrooga.
