Alejandro Carbajal Estrada Alejandro Estrada,2013-10-03 You already know his name now meet the man who inspired the song that took the world by storm Alejandro Hot Like Mexico Don't wanna touch don't wanna kiss Just gonna kill that faggot and hush Alejandro If you are a Truth Seeker look no further This book is a True Crime Nonfiction Autobiographical Memoir about the 2009 Homicide of film producer Michael Goss Alejandro writes it like he says He doesn't spoon feed you bite size pieces of information He submerses you with hard reality This book is not for a general audience If you are easily offended you won't be for long the truth in this book affects every American Citizen It is not meant to be pleasant If you make the choice not to read this book you might find yourself repeating history on the one side of your security gate you never thought you would be on No one is safe Pandora, Her Box and Her Daddy's Curse Alejandro C. Estrada,2012-09 Alejandro has written an autobiographical memoir which he feels has the potential to greatly benefit society Unfortunately his message does not agree with the current agenda and he has been blacklisted by the United States media On the morning of December 14 2012 the nation found out the reason why Alejandro was such a threat because the effect from this corruption resulted in the tragic events at Sandy Hook Elementary and thus every American Citizen is indirectly affected by the information contained in this publication The reality is that if the Vatican would have acknowledged Alejandro's warning those events could have been prevented It was in February 2009 when Alejandro returned home from a short hiatus and discovered he had been locked out by strangers His partner well known porn director Michael Goss was dead and Alejandro knew something was horribly wrong He went to the Los Angeles Sheriffs for help but instead they publicly humiliated him When the Santa Monica based attorney Jan Morrison filed for probate on behalf of her client Thomas Proechel Alejandro submitted a formal allegation against him for the murder of Michael Goss which the authorities completely ignored Eight months later music artist Lady Gaga released the song Alejandro She has stated her inspiration was from a Sex Monster and the reason is because Michael Goss's media company Goss Productions produced male fetish pornography Lady Gaga allegedly knows the individual responsible for killing Michael Goss that individual is a member of the Royal Arch degree of Freemasonry His Masonic brother Steve Cooley happens to be the District Attorney for Los Angeles and when Alejandro confronted Mr Cooley alleging R William Rheinschild for the murder of Michael Goss the response from the DA's office informed him that Michael Goss's estate which was valued at approximately 10 Million did not meet the preliminary requirement of the Major Fraud division to consider investigating the requirement was a total property loss of at least 300 000 00 As an insult Mr Cooley's office redirected Alejandro back to the local authorities The truth is local and federal authorities have refused to help Alejandro His career has been ruined by defamation In December 2010 he filed a declaration which presented the evidence that proved Michael Goss was murdered A month later an attempt to murder him failed and the LAPD censored his police report and in March 2012 Alejandro's image appeared without his consent in an advertisement for BluMedia Group which

was posted on an adult pay per view networking website His image was manipulated to appear as if he was being raped and was entitled The Predator and the Prey After confronting a representative for Katz Media Group in New York City the Vice President of Public Relations suggested he write a book The intention was to stall time so Alejandro s statute of limitations would run out but to everyone s surprise Alejandro finished his book within a week and submitted it to the Library of Congress in August 2012 and in fact Alejandro has dedicated his book to the VP of PR for Katz Media Since person responsible for killing Michael Goss has corrupted local government in his favor and because Alejandro has exhausted every avenue for recourse he had no other choice but to elevate his case to God s divine jurisdiction The reason why this book is significant is because Alejandro exposes the root of social injustice and in the last chapter he makes some very specific statements that came to fruition in October 2012 when hurricane Sandy hit the northeastern United States Do not pass this book up because Alejandro s message just might be our salvation against the Beast called Freemasonry **Alejandro, Lady Gaga and a Billion Dollar Farce** Alejandro Estrada,2013-09-27 You already know his name now meet the man who inspired the song that took the world by storm Alejandro Hot Like Mexico Don t wanna touch don t wanna kiss Just gonna kill that fagg t and hush Alejandro If you are a Truth Seeker look no further This book is a Nonfiction True Crime Autobiographical Memoir about the 2009 Homicide of film producer Michael Goss Alejandro writes it like he says He doesn t spoon feed you bite size pieces of information He submerses you with hard reality This book is not for a general audience If you are easily offended you won t be for long the truth in this book affects every American Citizen It is not meant to be pleasant No one is safe so what would you do if you came home tomorrow evening and found yourself locked out by strangers Would you call the police Perhaps you might call your significant other What if you find out they are dead Lady Gaga song Alejandro was inspired by this real life SexMonster The most unbelievable aspect of this nonfiction book is the fact it s a 100% true story about real people still alive today Alejandro has NOT changed any of the names and every individual referenced in this publication has made the decision not to take legal action which means they fully consent to everything Alejandro claims This book might be the most controversial piece of literature to date In addition to Alejandro s investigative research he had made God tangible in the process Do you think you can handle it **Alejandro** Alejandro Carbajal Estrada,2014-11-29 Alejandro is a real life non fiction publication about real people living and dead The names in this publication have not been changed Alejandro chronicles Alejandro Estrada s journey through a Hunger Game as he searched for answers after his partner Los Angeles film producer Michael R Goss was murdered in 2009 Alejandro shares a very candid peek into the dark underbelly of corruption Alejandro may have been one of the last people beloved actor Robin Williams was in contact with prior to his tragic death In this second part of his memoir Alejandro shares the last words he and Mr Williams exchanged in July 2014 Alejandro is the truth that will set the world free because everything the world believes is true has been a lie Nothing is how it appears The true information contained in this publication is so controversial that the Associated Press refuses to lift the

ban they placed on Alejandro Alejandro found himself on the media blacklist in 2012 after he warned the nation about the massacre at Sandy Hook elementary two months before it took place Catalog of the Latin American Collection University of Texas at Austin.
