A History of the Church in Five Books,

from A.D.332 to the Death of Theodore of Mopsuestia A.D.427 Theodoret (Bishop of Cyrrhus.),1844 **Canaan and Israel in Antiquity: A Textbook on History and Religion** K. L. Noll,2012-12-07 This comprehensive classic textbook represents the most recent approaches to the biblical world by surveying Palestine's social political economic religious and ecological changes from Palaeolithic to Roman eras Designed for beginners with little knowledge of the ancient world and with copious illustrations and charts it explains how and why academic study of the past is undertaken as well as the differences between historical and theological scholarship and the differences between ancient and modern genres of history writing Classroom tested chapters emphasize the authenticity of the Bible as a product of an ancient culture and the many problems with the biblical narrative as a historical source Neither maximalist nor minimalist it is sufficiently general to avoid confusion and to allow the assignment of supplementary readings such as biblical narratives and ancient Near Eastern texts This new edition has been fully revised incorporating new graphics and English translations of Near Eastern inscriptions New material on the religiously diverse environment of Ancient Israel taking into account the latest archaeological discussions brings this book right up to date

A History of the Church in Five Books Theodoret,Aeterna Press, When painters depict on tablets and on walls the events of ancient history their delineations delight the eye and preserve the remembrance of the past But historians substitute books for canvass flowery eloquence for brilliant colours and thus render the recollection of past events much more vivid and permanent Besides as the most skilful productions of painting are liable to be destroyed by time I have undertaken to record in writing events hitherto omitted in ecclesiastical history lest so many illustrious actions and incidents so deserving of fame should be suffered to sink into oblivion In addition to all this I have been very frequently urged by my friends to undertake this work But when I compared my own powers with the magnitude of the undertaking I shrank from attempting it Trusting however in the bounty of the Giver of all good I feel emboldened to enter upon a task beyond my own strength Aeterna Press
