Another Point Of View:

Another Point of View Lisa Jardine, 2012-02-29 I want to use the moment as a springboard for some big ideas I want to use the past and present to stimulate and challenge the listener and seduce them into thinking differently Lisa Jardine Provocative and inspirational Lisa Jardine is one of our pre eminent thinkers A leading academic she is a polymath who embraces both the arts and the sciences with equal passion and has that rare gift of being able to make her subject and her thinking accessible to a mainstream audience Lisa presents A Point of View on Radio 4 on Sunday mornings replacing Alistair Cooke s Letter From America Another Point of View is a collection of twenty two of the hugely popular and critically acclaimed talks from the programme on subjects as wide ranging and topical as commuting national identity Christmas Latin knife crime the mortgage crisis and the credit crunch The book contains drawings by Nick Wadley [A Different Point of View](#) Misao Dean, 1991 Misao Dean argues convincingly that Duncan s point of view was largely informed by nineteenth century Canadian idealism Making excellent use of the latest insights of feminist criticism and post colonial literary theory Dean explores the double marginalisation of Duncan as both a colonial and a woman She establishes gender as an important element in the form and content of Duncan s novels and feminism as a significant influence on Duncan s point of view

Strategic Management Reinier Geel, 2011-03 Studies have shown that coming up with strategies and executing them with success requires specific strategic competencies It is no longer just about the big idea Moving beyond a broad fuzzy picture however requires strategic thinking and understanding the management matrix This guidebook can help you identify critical functions of strategy such as the alignment of operations the continual improvement and innovation of systems design and the allocation of effective recourses learn the six required competencies for strategic genius along with methods how to excel at each one reinvent thought processes so you can achieve organizational goals successfully navigate your way through office politics and answer many other questions tied to strategic management Take a trip with author Reinier Geel as he shares a detailed study of the make or break factors of planning and execution This guidebook sets a new paradigm for the strategic arena and is backed up with the essential knowledge so you can empower yourself and your organization

Temporal Points of View Margarita Vázquez Campos, Antonio Manuel Liz Gutiérrez, 2015-08-14 This book seeks to arrive at a better understanding of the relationships between the objective and subjective aspects of time It discusses the existence of fluent time a controversial concept in many areas from philosophy to physics Fluent time is understood as directional time with a past a present and a future We experience fluent time in our lives and we adopt a temporal perspective in our ways of knowing and acting Nevertheless the existence of fluent time has been debated for both philosophical and scientific reasons thus creating a rift between the subjective and objective aspects of time Starting from the basic notion of points of view or perspectives this book explores the relationships between objective or external time as it has been conceptualized by science and subjective or internal time which is involved in our lived experiences It establishes a

general framework encompassing the nature structure and mode of existence of points of view in which the objective and subjective aspects of time can be integrated The book mainly addresses researchers and postgraduates in philosophy and logic Additionally it offers inspiration for physicists and computer scientists involved in the modeling and simulation of complex behaviors for which the representation of internal time should be considered together with the notion of objective external time

Another Perspective Taher Memon with Salim Parvez,2018-07-10 Another Perspective provides a unique point of view on the revamping and development of Pakistan cricket With a focus on a critical time period 1977 to 1998 left mostly unexplored by the body of cricket historians the publication seeks to delve deeper into the behind the scenes of cricket not only as a popular sport but as one of the most expansive entertainment industries of Pakistan A communications industry veteran Taher Memon stepped into the sporting sphere with a profile in advertising marketing and communication with a multinational and over a period spanning two decades left his own indelible mark on the cricket industry Encouraged by Salim Parvez cricket author and historian he rose to the challenge of illuminating a phase of cricket history which featured among many firsts of sports sponsorship in Pakistan the memorable 1987 and 1996 World Cup events co hosted by the Pakistan Cricket Board Taher takes the reader through this previously uncharted territory illustrating his account with factual evidence built on documents photographs and video footage from his private archive Through the lens of Pakistani culture and business one can experience the social and patriotic dimensions of cricket and its proliferation across the nation In a manner that is both authentic and captivating he enables the reader to navigate the rapidly changing and challenging environment during this transformative time in cricket history This first hand account examines the driving forces behind the growth of cricket in Pakistan and the tireless efforts put in by a single sponsor which lifted the game to a higher level Bringing light to operations that typically occupy our periphery Another Perspective expands the scope of cricket

Hitchcock's Motifs Michael Walker,2005 Among the abundant Alfred Hitchcock literature Hitchcock s Motifs has found a fresh angle Starting from recurring objects settings character types and events Michael Walker tracks some forty motifs themes and clusters across the whole of Hitchcock s oeuvre including not only all his 52 extant feature films but also representative episodes from his TV series Connections and deeper inflections that Hitchcock fans may have long sensed or suspected can now be seen for what they are an intricately spun web of cross references which gives this unique artist s work the depth consistency and resonance that justifies Hitchcock s place as probably the best know film director ever The title the first book length study of the subject can be used as a mini encyclopaedia of Hitchcock s motifs but the individual entries also give full attention to the wider social contexts hidden sources and the sometimes unconscious meanings present in the work and solidly linking it to its time and place

Religious Pluralism in Global Perspective Sharada Sugirtharajah, 2023-01-01 This volume contains fresh scholarly contributions to mark the birth centenary of John Hick the internationally well known philosopher of religion whose works continue to have significant global relevance in today's religiously diverse and conflict ridden world His writings have reset the parameters of religious pluralism Up till now Hick's religious pluralism has been mainly seen in relation to the Western context where Christianity is the predominant religion This volume includes both Western and non Western engagement with his thinking in contexts such as Japan China Korea Nigeria and India where Christianity is a minority religion with little political power Its distinctiveness lies in widening the debate on religious pluralism by bringing Hick's pluralistic hypothesis

into a constructive cross cultural and interreligious conversation with scholars of Hinduism Jainism Daoism Judaism Christianity Islam and African traditional religions In doing so this collection examines how Hick s philosophy of religious pluralism has been received appropriated and appraised by these scholars It has been appreciated and critiqued in equal measure and continues to impact on current thinking on religious pluralism This volume makes a significant contribution to the debate initiated by Hick *The Construction of Character A Wait, Wait, Don't Query (Yet!)
