

Denotation and connotation

Sometimes we make assumptions about a text before we have even read a word! The following tasks will help you explore your assumptions about this novel.

Denotation	the meaning of a word or image
Connotation	what is implied by a word or image

Example:

= a dove / bird
(denotation)

= peace
(connotation)

= hearts
(denotation)

= love/romance
(connotation)

Look at the cover image (page 2 of this resource):

What is the denotative meaning of the cover image?

What is the connotative meaning?

Hint: think about the colours, figures and perspective of the image.

Now think about the title:

What are its denotative and connotative meanings?

Look at the font used for the title and authors' names. Does this suggest anything about the book?

What do you think the story is about? What genre do you think the story is from?

Extension:

Using your ideas about the title and cover image, try to write the blurb for the back cover of the book.

Tip: think about genre, setting, characters (make up names if needed) and possible plot lines.

Now compare your version with the one from the novel. How similar are they?
