COMPREHENSION WORKBOOK 6 is designed for students to practise and work on answering the different types of comprehension questions found in the multiple choice and open ended formats The passages are carefully graded into three levels Basic Intermediate Advanced The main objective of the Basic level is to lay the foundation to build up a student s confidence in tackling comprehension In the Intermediate level the passages encourage higher level thinking and understanding The Advanced level challenges a student to think beyond the ideas presented in the passages The wide variety

of themes and genres also serve to widen a student's exposure to the different text types which are currently taught in schools. The different questioning techniques aim to develop a student's comprehension and inference skills. Thinking questions are incorporated to allow a student to exercise his opinions and make his conclusions. A glossary is included after every exercise to help students comprehend the passage better. It also increases a student's vocabulary and will aid in other writing, reading, and comprehension exercises. These varied and useful exercises should give a student greater confidence when doing comprehension tests.
