Comprehension Instruction Sheri R. Parris, Kathy Headley, 2015-06-18 All key issues of research and practice in comprehension instruction are addressed in this highly regarded professional resource and course text. Leading scholars examine the processes that enable students to make meaning from what they read and how this knowledge can be applied to improve teaching at all grade levels. Best practices for meeting the needs of diverse elementary and secondary students are identified. Essential topics include strategies for comprehending different types of texts, the impact of the Common Core State Standards (CCSS), cutting edge assessment approaches, and the growing importance of digital genres and multimodal literacies. User friendly features include end of chapter discussion questions. New to This Edition: Incorporates the latest research and instructional practices. Chapters on the CCSS, critical theory, culturally responsive instruction, and response to intervention. Chapters on teaching fiction and informational texts in the secondary grades. Expanded coverage of multimodal literacy learning. Timely topics such as text complexity, close reading, digital literacies, and neuroscience are discussed in multiple chapters.

Handbook of Evidence-Based Practices for Emotional and Behavioral Disorders Hill M. Walker, Frank M. Gresham, 2015-12-15 This authoritative volume provides state of the art practices for supporting the approximately 20% of today's K-12 students who have emotional and behavioral disorders (EBD) that hinder school success. Leading experts present evidence based approaches to screening, progress monitoring, intervention, and instruction within a multi-tiered framework. Coverage encompasses everything from early intervention and prevention to applications for high risk adolescents. Exemplary programs are described for broad populations of EBD students as well as those with particular disorders including autism spectrum disorders and externalizing behavior problems. The book combines theory and research with practical information on how to select interventions and implement them with integrity.

Reading Assessment Melissa Lee Farrall, 2012-06-05 A groundbreaking integrated approach to reading assessment that addresses each child's unique Learning Profile. Fifteen to twenty percent of our nation's children have reading difficulties. Educational evaluators must be able to use progress monitoring and diagnostic tools effectively to identify students who may be at risk, evaluate the effectiveness of school-wide reading programs, and suggest interventions that will improve reading skills. Written from a strengths-based perspective, *Reading Assessment: Linking Language, Literacy, and Cognition* is the first book of its kind to present a research-based, integrated review of reading, cognition, and oral language testing and assessment. Author Melissa Lee Farrall explores the theoretical underpinnings of reading, language, and literacy; explains the background of debates surrounding these topics; and provides detailed information and administration tips on the wide range of reading inventories and standardized tests that may be used in a reading psychoeducational assessment. With a focus on how to craft professional evaluation reports that illuminate a student's strengths, not just weaknesses, *Reading Assessment* enables school psychologists and diagnosticians, reading specialists, and special education professionals to conduct evaluations and develop effective interdisciplinary

remedial recommendations and interventions Clear engaging and inviting Reading Assessment features Case examples and practice exercises Chapter opening reviews of each theory Strengths weaknesses and potential problems of tests and their interpretations Chapter ending review questions that foster skill development and critical thinking Comprehensive information on more than 50 different assessment tests Reading Assessment is an invaluable resource that helps professionals gain the knowledge and skills to confidently interpret test results and prepare detailed and effective evaluation reports designed to meet each child's unique needs as a learner
