ENGLISH II Academic – Room D114 – Period 7

Dear Student,

Welcome to the beginning of sophomore English here at Delaware Valley Regional High School. In this class, we will be expanding on all that you have learned in the last nine years and will be building the framework for the classes you will be taking during the rest of your high school career. The next ten months or so of class will be filled with some amazing literature, powerful writing, intense discussions, and (believe it or not) a great deal of fun. In order to achieve all of this, we must come to an understanding of what expectations are held for you and your classmates.

- All students are expected to treat every person and item in the classroom with the utmost respect at all times.
- All students are expected to be in class, in their seats when the bell rings, every day. Please remain in your seats until the dismissal bell rings at the end of class.
- All students are expected to be prepared with the necessary materials (books, notes, iPad/with a charge, writing utensils, homework, etc.) on the appropriate days. Failure to do so will affect your grade.
- All students are expected to follow the school policies outlined in the Student Handbook/Organizer.
- All students are expected to give every assignment inside and outside of class their very best effort.

Violation of school rules will be addressed according to the guidelines in the Student Handbook.

Bullying: State laws regarding bullying are very clear, which makes the first bullet point listed above even more important. Teachers must, by law, report ANY instances of bullying witnessed or about which they are informed. DVR Administration takes this mandate very seriously and will investigate all reports of bullying in the school. To avoid frivolous reporting, we must all simply avoid making ANY disparaging or harmful comments to one another, regardless of the context. As this class is a "Hate-Free Zone," this should not be a problem – but the consequences are severe and you should be aware of them.

Tardies: If you should have an excusable reason to be late for class, a pass should be obtained from the teacher or school official with whom you were before coming to class. Any other tardies will be considered unexcused. The first will result in a warning, the second will result in a teacher detention, and the third will result in a written conduct report.

Absences: It is your responsibility to gather assignments missed when absent. You should attempt to contact a fellow classmate or myself via email or text (callback on the teacher pages on the school website) before returning from an absence. For this reason, we would suggest obtaining the phone number of at least one classmate. Once you have returned to school, you need to see either of us about assignments missed and due dates. This should be done before or after class, or before or after school. You are responsible to check these resources regularly for updated information.
