Islamic State Michael Griffin, 2015-10-20 This book takes the long view by analysing Islamic State s beginnings in Iraq to their involvement in the Arab Spring and through to the present day The world is watching IS s advance through the Middle East The US risks being drawn into another war in the region despite its experiences in Afghanistan and Iraq IS are creating catastrophic waves across the region but it is still unclear what lies behind its success Michael Griffin uncovers the nature of IS through investigating the myriad of regional players engaged in a seemingly endless power game Saudi Arabia Qatar Turkey and Iraq which have all contributed to the success of IS by supplying arms and funds He foregrounds the story of the uprising against President Assad of Syria the role played by the Free Syrian Army Islamist groups Iran Hezbollah and Russia the chemical weapons attacks in 2013 and the House of Commons vote not to impose a no fly zone over the country

Terrorism ,2009 **Empire of Fear** Andrew Hosken,2015-07-23 In June 2014 Islamic State launched an astonishing blitzkrieg which saw them seize control of an area in the Middle East the size of Britain The news was soon filled with their relentless acts of savagery yet nobody seemed to know who they were or where they d come from Now BBC reporter Andrew Hosken delivers the inside story on Islamic State Through extensive first hand reporting Hosken builds a comprehensive picture of IS their brutal ideology and exterminationist methods Equally compelling and horrifying *Empire of Fear* reveals how Islamic State came to be explores how they might be defeated and asks a frightening question if they were brought down could we stop another group emerging to replace them **Professional Journal of the United States Army** ,2008

Islam, Security and Television News C. Flood,S. Hutchings,G. Miazhevich,H. Nickels,2012-05-08 Focusing on British French and Russian television news coverage of Islam as a security threat this book provides the first comparative account of how television broadcasting in different geo and socio political environments integrates discourses on Islam into nationally oriented representational systems **Military Review** ,2008 Effectively Countering Terrorism Cornelia Beyer,Michael Bauer,2009-08-05 Since September 11 2001 the pressure on Al Qaeda has increased This book reflects on the following questions What additional actions are required in counter terrorism policy to reverse the increase in terror directed activities And What are the main shortcomings of current policy initiatives Iraq's Sunni Insurgency Ahmed S. Hashim,2013-01-11 From 2003 to 2008 the Sunni Arab insurgency in Iraq posed a key challenge to political stability in the country and to Coalition objectives there This paper explains the onset composition and evolution of this insurgency It begins by addressing both its immediate and deeper sociopolitical origins and goes on to examine the multiple ideological strands within the insurgency and their often conflicting methods and goals Despite organisational incoherence due to the existence of a large number of competing groups the insurgency in Iraq sustained a particularly high tempo of operations between 2004 and 2006 causing considerable military and civilian casualties Some insurgent groups focused on attempting to foment civil war between two of Iraq s major communities the Sunni and Shia Arabs and by late 2006 they had come close to unravelling Iraq and presenting the Coalition with a major defeat The adoption of a new approach by the US in 2007 helped reduce the level of violence in Iraq In addition deep fissures within the insurgency itself between those fighting for more practical immediate goals and the transnational Islamists and their local allies fighting for wider reaching goals including the promotion of sectarian strife contributed to the insurgency s diminution It remains to be seen whether there will be a widespread recognition among Sunni Iraqis of the need to work with the Coalition to facilitate their community s reintegration into the new Iraqi body politic
