Alan Branch Scouting Report:

A Scout's Report George Genovese, Dan Taylor, 2015-05-01 Many in baseball consider the scout to be the most important figure in any organization It is the scout's work in the high school and college bleachers that unearths future legends Few have achieved more and in such grand style than George Genovese In a game that values numbers Genovese's are staggering No other scout has been responsible for more players in a single lineup more home runs by players signed or more All Star and World Series highlights than Genovese Genovese's eye for talent is unmatched his advocacy for the players he discovers is unrivaled and the investment he makes toward their success is a difference maker This autobiography is the story of his seven decades in baseball as a player manager and scout *Annual Report ...* Kansas City Public Library (Kansas City, Mo.), 1913 *Report of the Superintendent of Schools of the School District Of Kansas City, Missouri* Kansas City (Mo.). Meg Flanagan had faithfully served the Lord as a nun for the Sisters of Saint Joseph for more than twenty five years She enjoyed a spiritual peace that was unparalleled Meg taught high school biology for an impoverished Catholic school in Newark New Jersey Life seemed perfect until she got sick That was the catchphrase the faculty used Only those closest to her knew she had cancer She beat her breast cancer but she came back to school with a restless soul Was there more to life than the only world she knew Karch Kummel was a vibrant younger teacher who invited the Sisters to his family's Pocono Mountain cabin for a winter getaway while he and his parents skied Meg asked Karch if he could teach her to ski He held her close as together they skied down the mountain Months later after a meeting she admitted to Karch in an empty classroom that she wished she had someone to kiss Meg was slowly being seduced It was not a physical seduction but one that was emotional He showed her a wonderful life beyond the walls of her convent she had never experienced Karch invited her to his family's oceanfront beach house There he took her on fast amusement rides a boogie board sailing and on a bike trip He also kept her safe when a hurricane hit the Jersey coast However with that emotional seduction inevitably came a slow physical seduction Did Meg have the strength of heart to finally resist the world he offered or did she have the weakness of the flesh and would eventually succumb to Karch Only time would tell *Federal Archeology Report*, 1991 [Cracks in the Outfield Wall](#)

Chris Holaday, 2024-04-05 The best known story of integration in baseball is Jackie Robinson who broke the major league color line in 1947 after coming up through the minor leagues the previous year His story however differs from those of the many players who integrated the game in the Jim Crow South at all professional levels Chris Holaday offers readers the first book length history of baseball's integration in the Carolinas showing its slow and unsteady progress narrating the experience of players in a range of distinct communities detailing the influence of baseball executives at the local and major league levels and revealing that the changing structure of the professional baseball system allowed the major leagues to

control integration at the state level Holaday illuminates many smaller stories along the way including desegregation in Little League and American Legion baseball the first Black players to play in the tiny foothills town of Granite Falls North Carolina and the pipeline of Afro Cuban players from Havana to the Carolina leagues By showing how race and the national pastime intersected at the local level Holaday offers readers new context to understand the long struggle of equality in the game
