Alanna When Hearts Dare:

She Who Dares Alana Stott MBE,2023-07-31 It was 2014 when the phone rang at Alana Stott's home. On the other end was her husband Dean, a member of the UK Special Forces serving in Libya in the midst of a civil war. As the sound of gunfire echoed through the receiver, Alana felt her heart racing as she struggled to gather as much information as possible from him. Moments later, the line went dead. In a compelling, heartfelt retelling of her epic journey through life, Stott shines an inspirational light on how she navigated through all her personal experiences with candor, humor, bravery, and authenticity. As she leads others through her memories, Stott begins by detailing her childhood where she first learned to advocate for justice, pledged to one day end injustices, and focused on helping others, and then shares insight into her path forward as she traveled the world, married, attained professional success, battled challenges, and eventually summoned the strength and courage to guide her former UK Special Forces husband from enduring life-changing injuries to becoming a world record breaking champion. *She Who Dares* chronicles one woman's path of self-discovery as she overcame obstacles and challenges to transform into a passionate advocate for positive change.

Season of Sacrifice Mindy Klasky,2020-06-29 Choose wisely. Alana wasn't ready to forfeit her carefree life as a village maiden, but the Great Tree chose her to be its honored woodsinger. Now she communes daily with the Tree, conveying its ancient wisdom to her people on the Headland of Slaughter. Alas, even the Tree fails to recognize the threat when Duke Coren arrives from the mainland. Soon, two innocent children are kidnapped, carried off to distant Smithcourt for reasons unknown. Alana wastes no time provisioning a rescue party, giving them a treasured woodstar so she can observe and guide their progress. But a trio of fishermen is no match for a wily inland noble, especially one capable of manipulating the captured twins' emotions until they no longer want to be saved. What must Alana and others sacrifice to bring the children home? If you like fantasy novels with magic, mystical trees, kidnapping of innocents, children in danger, sword and sorcery, epic stories, sagas, power, intrigue, and betrayal, then this is the book for you. 011823mfm
