Samset, 2013-03-14 The book is a civil engineering handbook on winch and cable systems The handbook may be used as textbook for university studies in civil engineering and forestry and as the basis for studies in schools on a technical level It should be a useful reference book for construction engineers civil engineers logging engineers foresters and leaders of operational activities under difficult terrain conditions The content in the book is based on more than 35 years experience with practical winch and cable operations As a leader of the Norwegian Institute of Forest Operations the author has carried out research work in this field since 1947 The Institute is the owner of yarders winches cable cranes etc and with its own cable crews the Institute operates as a contractor in its own research forests as well as in other state or privately owned forests throughout Norway The research work also includes other cable crane operations in Norway and other countries As the leader of the Joint FAO ECE ILO Study Group on Mechanized Forest Operations the author studied cable operations in most of the Eastern and Western European countries As president of the International Union of Forestry Research Organizations the author visited most forest countries in the world Information from research and practical cable crane operations were collected The handbook is based on material on winch and cable systems used in Japan New Zealand Soviet Union Central Europe Northern Europe Eastern United States Western United States and British Columbia

Canadiana, 1990 **Construction Methods**, 1975 *A Guide to Speleological Literature of the English Language* Diana E. Northup, 1998 This is a family story of America's most famous cave explorer who was trapped and died in Sand Cave in 1925 That story has been told many times but never before has the complete life of Floyd Collins been presented Floyd's younger brother Homer tells how Floyd was fascinated with caves from his childhood of his discovery of the famous Crystal Cave on the home property and of the rescue attempts from the viewpoint of a brother so devoted that his extraordinary

efforts to save Floyd were rewarded by his being removed from the premises while others inexperienced in working in caves carried on the unsuccessful attempt It is a warm story of a man whose love in life was exploring caves a man who endured his grim death with dignity and pride in his vocation Page 4 of cover Construction Methods and Equipment ,1975-07
