

Alexander Pope

An Essay on Criticism

Written in the year 1709

[The title, _An Essay on Criticism_, hardly indicates all that is included in the poem. It would have been impossible to give a full and exact idea of the art of poetical criticism without entering into the consideration of the art of poetry. Accordingly Pope has interwoven the precepts of both throughout the poem which might more properly have been styled an essay on the Art of Criticism and of Poetry.]

PART I.

'Tis hard to say if greater want of skill
Appear in writing or in judging ill,
But of the two less dangerous is the offense
To tire our patience than mislead our sense
Some few in that but numbers err in this,
Ten censure wrong for one who writes amiss,
A fool might once himself alone expose,
Now one in verse makes many more in prose.

'Tis with our judgments as our watches, none
Go just alike, yet each believes his own
In poets as true genius is but rare
True taste as seldom is the critic share
Both must alike from Heaven derive their light,
These born to judge as well as those to write
Let such teach others who themselves excel,
And censure freely, who have written well
Authors are partial to their wit, 'tis true [17]
But are not critics to their judgment too?

Alexander Pope Essay On Criticism:

An Essay on Criticism Alexander Pope, 2010-02-01 Despite its somewhat dry title this text is not a musty prose dissection of literary criticism. Instead the piece takes the shape of a long poem in which Pope at the very peak of his powers takes merciless aim at many of the best known writers of his day. The epitome of the subtle but lethal wit Alexander Pope has come to be celebrated for, *An Essay on Criticism* is a fun and enlightening read for Brit lit fans. *An Essay on Criticism* Alexander Pope, 1713 [Pope's Essay on criticism, ed. with notes by H. However, despite the title, the poem is not as much an original analysis as it is a compilation of Pope's various literary opinions. A reading of the poem makes it clear that he is addressing not so much the ingenuous reader as the intending writer. It is written in a type of rhyming verse called heroic couplets. The poem first appeared in 1711 but was written in 1709. It is clear from Pope's correspondence that many of the poem's ideas had existed in prose form since at least 1706. It is a verse essay written in the Horatian mode and is primarily concerned with how writers and critics behave in the new literary commerce of Pope's contemporary age. The poem covers a range of good criticism and advice. It also represents many of the chief literary ideals of Pope's age.
