The Night We Burned S. F. Kosa, 2021-08-10 A new psychological thriller from suspense powerhouse S F Kosa featuring a decades old secret a mysterious cult fire and a woman looking to outrun the ashes of her past until they come roaring back once more

Dora is always aware of the line between fact and fiction As a fact checker at an online magazine her job depends on it And as a woman outrunning her secrets so does her life But when a colleague decides to pursue a story about a murder in her hometown one linked to a deadly fire at a cult compound twenty years prior suddenly all of Dora's carefully spun deceptions are at risk

And if she can't stop the story her entire life is on the line As Dora works with her colleague altering facts to hide her past along the way she's thrown back into a world she tried desperately to leave behind One of ritual and belonging of danger and darkness A world where two girls promised to help each other through until it all went up in flames As her lies pile up so do the murders Until Dora realizes she won't be lucky enough to escape twice

Fun is The Future Manu Melwin Joy, Merry Joe Chiramel, 2017-06-22 There are certain catchwords that are more fascinating than the rest Gamification is one such catchword This is not shocking as the roots are traced back to the world of games It is quite amusing that the term is vague for both beginners and intellects While beginners misinterpret gamification as playing games intellects brush it off as yet another deviation of a loyalty or rewards program But what is it actually Those in the community of gaming theory and practice have categorized gamification as a term It is usually considered that it means employing gaming principles to non gaming situations It is a design process that

reframes goals to be more attractive and attainable using the principles of game design The gamified solutions targets our usual instincts to seek competition and accomplishment using conventional gamification methods such as point gathering virtual currencies accomplishment budgets or levels with growing difficulty are used within game community This book does not suggest recipes for gamification since the best practices are still evolving Instead it provides a list of compelling gamification success stories implemented in organizations from various industries Enterprise gamification is still in its beginning stage There is much more to pursue and learn The overall objectives of this book are 1 to present the current state of games and use of gamification in various sectors and 2 to explore future opportunities and limitations of using gamification
