Code Blues Mel Nutig,2023-09-27 Ever since Mel Nutig was a young boy in Coney Island he knew he was profoundly sad But for a long

time he hadn't known the word depression and once he had learned it years later he had no money with which to seek treatment nor any emotional support from his family. With no way forward but through, he pushed himself to complete the years of college and medical school rife with loss and hardships. And then at the age of thirty-two, his high-pressure life as an orthopedic surgeon would finally begin. **CODE BLUES** is a candid memoir about Mel navigating his turbulent life with depression. At seventy-nine years old, he reflects on his journeys through the darkest valleys and coming out alive on the other side. Living through a childhood in an isolating low-income household, years of medical training, overseas success as an orthopedic surgeon, and his retirement, Dr. Nutig spares no details about the storm clouds that have hung over his entire life, sharing his story to give hope and encouragement to others. Full of poignant reflections, **CODE BLUES** shows the resilience of humans in the face of incredible odds. If we meet along a trail somewhere, say hello, and I'll gladly respond. I'll be honored if you do. Just don't call me sir.

Fear No Evil—By Hating Evil! Jeff Abels, Tobe Momah, 2013-07-05. Dr. Tobe Momah addresses two of the most important issues facing the body of Christ today in his book *Fear No Evil*. Evil abounds all around us, attempting to hold us paralyzed in fear. The antidote is the fear of the Lord, a holiness that abhors that which is evil and cleaves to that which is good. Dr. Momah draws on his own personal experiences and the wisdom of God's Word to provide insight into the two kinds of fear that exist and how they affect our lives. *Fear No Evil* puts both fear and evil in their place, leaving the reader fearless in the face of sin and secure in the fear of the Lord. Jeff Ables, Lead Pastor, Crossroads Church, Lafayette, LA.
