Angels and Companions in Spirit Laeh Maggie Garfield, 1995. Angels are beings of an exalted order. For the most part, their activity goes beyond the scope of everyday human concerns. Yet many of us have felt their presence. Socrates had his daemon. William Blake received artistic guidance from his departed brother. Laeh Maggie Garfield, nationally known teacher and healer, says her own spirit helper promises faith, love, creativity, joyous self-expression, and the flow of abundance. In this fascinating introduction to working with your own guardian angel and other spirit companions.
