Angela Merkel A Chancellorship Forged In Crisis:

Angela Merkel Alan Crawford, Tony Czuczka, 2013-08-05 Shortlisted for International Affairs Book of the Year in the Paddy Power Political Book Awards 2014 Angela Merkel was already unique when she became German chancellor the first female leader of Europe's biggest economy the first from former communist East Germany and the first born after World War II Since 2010 the debt crisis that spread from Greece to the euro region and the world economy has propelled her to center stage making Merkel the dominant politician in the struggle to preserve Europe's economic model and its single currency Yet the Protestant pastor's daughter is often viewed as enigmatic and hard to predict a misreading that took hold as she resisted global pressure for grand gestures to counter the crisis Having turned the fall of the Berlin Wall to her advantage Merkel is trying to get history on her side again after reaching the fundamental decision to save the euro the crowning achievement of post war European unity Merkel has brought Europe to a crossroads Germany's economic might gives her unprecedented power to set the direction for the European Union's 500 million people What's at stake is whether she will persuade them to follow the German lead Angela Merkel A Chancellorship Forged in Crisis is the definitive new biography of the world's most powerful woman Delving into Merkel's past the authors explain the motives behind her drive to remake Europe for the age of globalization her economic role models and the experiences under communism that color her decisions For the first time in English Merkel is fully placed in her European context Through exclusive interviews with leading policy makers and Merkel confidants the book reveals the behind the scenes drama of the crisis that came to dominate her chancellorship her prickly relationship with the U S and admiration for Eastern Europe Written by two long standing Merkel watchers the book documents how her decisions and vision both works in progress are shaping a pivotal moment in European history

Angela Merkel, Third Edition Clifford Mills, 2020-06-01 Born in West Germany but raised in East Germany Angela Merkel has known both repression and freedom With the fall of the Berlin Wall in 1989 Merkel started her meteoric rise to become Germany's first female chancellor and one of the world's most powerful women A scientist by training Merkel possesses analytical skills seldom seen in a world leader and she confronts not only German problems but European and world issues with diplomacy and tact Enhanced by a chronology bibliography and suggestions for further reading this full color biography is the inspiring account of an intriguing leader who's a tireless force for progress **Becoming Madam**

Chancellor Joyce Marie Mushaben, 2017-08-07 The first English language scholarly book to provide an overview of the Angela Merkel's career and influence **The Chancellor** Kati Marton, 2022-10-11 A biography of German Chancellor Angela Merkel detailing the rise and political brilliance of the most powerful and elusive woman in the world The book is at once a political biography and an intimate human story of a complete outsider a research chemist and pastor's daughter raised in Soviet controlled East Germany who rose to become the unofficial leader of the West Biographer Kati Marton set out to pierce the mystery of how Angela Merkel achieved all this and she found the answer in Merkel's political genius A

Life Interrupted: Essays in honour of the lives and legacies of Christof Heyns Frans Viljoen, Charles Fombad, Dire Tladi, Ann Skelton, Magnus Killander, 2022-01-10 About the publication This volume of essays A life interrupted essays in honour of the lives and legacies of Christof Heyns honours Christof Heyns renowned human rights lawyer advocate activist and educator but also down to earth family man friend and colleague Christof's sudden and most untimely passing on 28 March 2021 deeply saddened those close to him but also evinced an outpouring of grief from the national and international human rights community His passing brought a deep sense of loss in part because at age 62 he was fully engaged in contributing to the betterment of society and still had so much more to give His is a life interrupted But at the same time looking back over the varied lives he lived he had already left his mark in so many ways His influences and impacts are manifold and magical This collection not only testifies to the legacy that he has left us but also to the ongoing efforts of many to continue building on his legacy This collection contains two sets of essays by family members friends colleagues collaborators and students Part A contains essays of a more reflective and personal nature while the contributions in Part B link to the scholarly or academic themes Christof had worked on and explored including international human rights systems international law the right to life freedom of association international humanitarian law the impact of human rights treaties constitutionalism and legal philosophy However a neat distinction between the personal and professional is not possible in respect of such a warm generous and enthusiastic person as Christof Most of the essays in Part A integrate some of Christof's professional and academic achievements while many of the essays in Part B also reflect on Christof as a person The editors all based at the Faculty of Law UP are colleagues and friends who worked closely with Christof Frans Viljoen succeeded Christof as Director of the Centre for Human Rights Christof was his doctoral supervisor mentor and research collaborator Charles Fombad worked with Christof at ICLA and took over as ICLA Director after Christof's passing Dire Tladi an ICLA fellow had his office just across from Christof in ICLA As member of the International Law Commission he shared with Christof high level engagement with the UN While Christof served on the Human Rights Committee his colleague Ann Skelton serves on the Committee on the Rights of the Child Magnus Killander worked closely with Christof as co author and co editor Christof was also his doctoral supervisor The publication date of this book is 10 January 2022 which is the date marking 63 years since Christof's birth The publisher is the Pretoria University Law Press PULP of which Christof was also a founder

Crisis in Greece Peter Siani-Davies, Mary Siani-Davies, 2017 Few countries experienced the period of turbulence surrounding the global financial crisis as intensely as Greece The country topped the global news agenda as images of mass protests in Athens jostled for space with reports of torturous negotiations between political leaders struggling to agree support packages Dramatic headlines proclaimed not only Greek bankruptcy and a possible exit from the euro but the collapse of the single currency itself This book offers a comprehensive and authoritative account of the lengthy crisis that beset Greece and the wider Eurozone Written for the general reader it explores the passage of events from different perspectives as it probes

the story behind the headlines to reveal the full complexity of the crisis Were its causes to be found in the prevailing international financial environment or in the economic and political system which evolved in Greece since the early 1970s Did the choices made by both domestic and international actors such as the IMF and the EU exacerbate the crisis Most importantly what has been the impact of the crisis on the daily lives of the country s inhabitants **Unhappy Union** John Peet,Anton La Guardia,2014-05-01 The euro was supposed to create an unbreakable bond between the nations and people of Europe But when the debt crisis struck the flaws of the half built currency has brought the EU close to breaking point after decades of post war integration Deep fault lines have opened up between European institutions and the nation states and often between the rulers and the ruled raising profound questions about Europe s democratic deficit Belief in European institutions and national governments alike is waning while radicals of both the left and the right are gaining power and influence Europe s leaders have so far proved the doomsayers wrong and prevented the currency from breaking up If the euro fails Europe fails says Angela Merkel Yet the euro and the European project as a whole is far from safe If it is to survive and thrive leaders will finally have to confront difficult decisions How much national sovereignty are they willing to give up to create a more lasting and credible currency How much of the debt burden and banking risk will they share Is Britain prepared to walk away from the EU And will other countries follow In their astute analysis of the crisis the authors describe America s behind the scenes lobbying to salvage the euro economists bitter debates over austerity the unseen manoeuvres of the European Central Bank and the tortuous negotiations over banking union In the final chapter they set out the stark choices confronting Europe s leaders and citizens **The Political and Economic Dynamics of the Eurozone Crisis** James A. Caporaso,Martin Rhodes,2016 This is the first book to provide a full and dispassionate account of the politics and economics of the Eurozone crisis focusing on the interlinked origins and impacts of the Euro Zone crisis and the policy responses to it The book is distinguished from existing research by its avoidance and rejection of the too often simplistic analysis that has characterized political media and regrettably some academic coverage and by its attempt to escape from the tyranny of day to day events and short term developments Each of the contributors identifies an important question and undertakes a careful empirical theoretically informed analysis that produces novel perspectives Together they seek to balance many of the existing accounts that have rushed to sometimes unwarranted conclusions concerning for example the locus of institutional power in European crisis management the power and centrality of particular member states notably Germany which has been attributed with hegemonic status the supposed entrapment of EU policy makers by an austerity ideology and the deep flaws that apparently afflict the solutions to the crisis put painstakingly in place such as Banking Union While it will be some time before the EU can put the crisis behind it and the dust finally settles on the revised institutional system that emerges The Political and Economic Dynamics of the Eurozone Crisis marks an important step towards a considered reflective analysis of the tumultuous events and developments of the crisis period **Empire of Democracy**

Simon Reid-Henry,2020-06-30 The first panoramic history of the Western world from the 1970s to the present day from the Cold War to the 2008 financial crisis and wars in the Middle East *Empire of Democracy* is a superbly informed and riveting historical analysis of our contemporary era Charles S Maier Harvard University Half a century ago at the height of the Cold War and amidst a world economic crisis the Western democracies were forced to undergo a profound transformation Against what some saw as a full scale crisis of democracy with race riots anti Vietnam marches and a wave of worker discontent sowing crisis from one nation to the next a new political economic order was devised and the postwar social contract was torn up and written anew In this epic narrative of the events that have shaped our own times Simon Reid Henry shows how liberal democracy and western history with it was profoundly reimagined when the postwar Golden Age ended As the institutions of liberal rule were reinvented a new generation of politicians emerged Thatcher Reagan Mitterrand Kohl The late twentieth century heyday they oversaw carried the Western democracies triumphantly to victory in the Cold War and into the economic boom of the 1990s But equally it led them into the fiasco of Iraq to the high drama of the financial crisis in 2007 8 and ultimately to the anti liberal surge of our own times The present crisis of liberalism is leading us toward as yet unscripted decades The era we have all been living through is closing out and democracy is turning on its axis once again Brilliantly Reid Henry calls for the salvation of democracy from the choices of its own leaders if it is to survive Samuel Moyn Yale University

Angela Merkel Matthew Qvortrup,2017-03-09 Matthew Qvortrup s definitive and insightful biography of Angela Merkel is essential reading for anyone interested in current affairs the fate of Europe or simply the story of a truly remarkable woman Based on over 15 years of in depth research Angela Merkel tells the story of the political titan s astonishing rise from obscurity to become the most influential leader in Europe today It follows the German Chancellor s journey to prominence and power from a bleak childhood in East Germany and offers an unprecedented understanding of her inimitable personality and perspective explaining how her unique qualities have made Merkel perhaps the most respected political figure on the world stage today *The EU's Common Foreign and Security Policy in Germany and the UK* Nicholas Wright,2018-10-11 This book examines the impact on member states of long term foreign policy co operation through the EU s Common Foreign and Security Policy CFSP Focusing on Germany and the UK it provides an up to date account of how they have navigated and responded to the demands co operation places on all member states and how their national foreign policies and policy making processes have changed and adapted as a consequence As well as exploring in depth the foreign policy traditions and institutions in both states the book also offers detailed analyses of how they addressed two major policy questions the Iranian nuclear crisis and the establishment and development of the European External Action Service The book s synthesis of country and case studies seeks to add to our understanding of the nature of inter state co operation in the area of foreign and security policy and what it means for the states involved [The Century of the Emerging World](#) Paul Dobrescu,2017-05-11 This book explores how the first decade of the 21st century was nothing short of les ann es folles The

impressive growth rate of emerging economies changed the crisis ridden world in a very short time and in the early 2000s the emerging world's weight in the global economy was 38% now 50% This statistic confirms the political reality of the century of the emerging world The monograph shows that the long term tendencies inaugurated during this decade represent a silent revolution as significant as the fall of the Berlin Wall and the collapse of the Soviet Union and this will lead to a geopolitical reconfiguration hard to envision right now *Transnationalism and German-Language Literature in the Twenty-First Century* Stuart Taberner, 2017-03-01 This book examines how German language authors have intervened in contemporary debates on the obligation to extend hospitality to asylum seekers refugees and migrants the terrorist threat post 9 11 globalisation and neo liberalism the opportunities and anxieties of intensified mobility across borders and whether transnationalism necessarily implies the end of the nation state and the dawn of a new cosmopolitanism The book proceeds through a series of close readings of key texts of the last twenty years with an emphasis on the most recent works Authors include Ter zia Mora Richard Wagner Olga Grjasnowa Marlene Streeruwitz Vladimir Vertlib Navid Kermani Felicitas Hoppe Daniel Kehlmann Ilija Trojanow Christian Kracht and Christa Wolf representing the diversity of contemporary German language writing Through a careful process of juxtaposition and differentiation the individual chapters demonstrate that writers of both minority and nonminority backgrounds address transnationalism in ways that certainly vary but which also often overlap in surprising ways **Summary of Alan Crawford & Tony Czuczka's Angela Merkel** Everest

Media, 2022-02-28T21:04:00Z Please note This is a companion version not the original book Sample Book Insights 1 Greece was the pivotal challenge of a chancellorship forged in crisis Faced with economic and financial turmoil stemming from Greece which threatened the euro Merkel was forced to adapt and balance external demands for greater action with domestic political constraints on doing so 2 When she became chancellor Merkel took over a Germany that was struggling to adapt to the challenges of globalization She brought the rigor of scientific analysis she'd learned in the physics laboratories of East Berlin and Leipzig to problem solving of an economic and financial nature 3 As the euro crisis ravaged Greece Merkel was heavily criticized for her lack of support but she stood by the country and saved the euro on her terms She became Europe's de facto leader but with resentment of her newly assertive Germany growing it was far from clear whether the rest of Europe was prepared to share the journey to her final destination **Dear Barack** Claudia Clark, 2021-10-19 One of the

great political friendships of the modern world as told through key moments that shaped the twenty first century Today we know US President Barack Obama and German Chancellor Angela Merkel as two of the world's most influential leaders together at the center of some of the biggest controversies and most impressive advancements of our time But while their friendship has been the subject of both scrutiny and admiration few know the full story Taking office at the height of the 2008 global recession Obama was keenly aware of the fractured relationship between the US and Europe And for her part Merkel was suspicious of the charismatic newcomer who had captivated her country Faced with the challenges of

globalization the two often clashed over policy but as the first Black president and first female chancellor they shared a belief that democracy could uplift the world United by this conviction they would forge a complicated but inspiring partnership Dear Barack is a thoroughly researched document of the parallel trajectories that led to Obama and Merkel meeting on the world stage and the trials both personal and political that they confronted in office At times in the leaders own words the book details such events as Merkel s historic acceptance of the Presidential Medal of Freedom Russia s annexation of Crimea and the 2013 NSA spying scandal demonstrating the highs and lows of this extraordinary alliance A story of camaraderie at a global scale Dear Barack shows that it is possible for political adversaries to establish bonds of respect and even friendship in the service of the free world

Leadership Styles in the European Council Martina Vass,2025-02-03 Using the example of Werner Faymann Dalia Grybauskait Angela Merkel Viktor Orb n and Mark Rutte the book examines the impact that the European Council s environment has on leadership styles and the impact of leaders on the institution s decision making during the financial and debt crisis the Ukraine crisis and the migration crisis 2010 2016 It presents domestic factors affecting the choice of leadership style nationally finding cooperative styles are best suited to the European Council as its structure relies on negotiated consensus The European Council s environment has three effects on leadership styles and decision making socialisation towards cooperation compromise making and Europeanisation The book provides an in depth insight into how leaders behave among their peers behind closed doors

Tangled Governance C. Randall Henning,2017 Tangled Governance addresses the institutions that were deployed to fight the euro crisis re establish financial stability and prevent contagion beyond Europe The author addresses why European leaders chose to include the IMF and provides a detailed account of the decisions of the institutions that make up the Troika the European Commission ECB and IMF He explains the institutions negotiating strategies the outcomes of their interaction and the effectiveness of their cooperation The book also explores the strategies of the member states including Germany and the United States with respect to the institutions and the advantages they sought in directing them to work together The book locates the analysis within the framework of regime complexity clusters of overlapping and intersecting regional and multilateral institutions It tests conjectures spawned by that literature against the seven cases of financial rescues of euro area countries that were stricken by crisis during 2010 2015 Tangled Governance concludes that regime complexity is the consequence of a strategy by key states to control agency drift States mediate conflicts among institutions through informal as well as formal mechanisms and thereby limit fragmentation of the regime complex and underpin substantive efficacy In so doing the book answers several key puzzles including why a Germany and other Northern European countries supported IMF inclusion despite substantive positions opposed to their economic preferences b crisis fighting arrangements endured intense conflicts among the institutions and c the United States and the IMF promoted further steps to complete the monetary union

The Statesman's Yearbook 2024 Palgrave Macmillan,2024-01-03 Now in its 160th edition The Statesman s Yearbook continues

to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions

Conservative Liberalism, Ordo-liberalism, and the State Kenneth Dyson,2021 The book examines the historical significance and contemporary relevance of a body of thought about rejuvenating liberalism that has tended to be neglected in the English speaking world in favour of the rise of social liberalism

Circle of Stars Dermot Hodson,2023-01-01 A compelling new history of the EU and the people who sought to shape and challenge it from Maastricht to today The European Union is the most ambitious and one of the most contentious international organizations ever created Decisions made in Brussels shape the lives of over 500 million Europeans and its laws and policies resonate around the world But how has the EU endured over three turbulent decades marred by crises at home and abroad In this major account Dermot Hodson traces the development of the EU from its establishment in 1993 through to Brexit Covid 19 and the invasion of Ukraine Hodson shows how the union has been held together not by faceless technocrats but national leaders who stood together in times of turmoil despite a fierce backlash from a new generation of right wing populists Circle of Stars offers a rich appraisal of Europe s troubled past and turbulent present focusing on the people who built the EU as we know it today
