This study covers the classic period of popular television shows from the 1960s through the 1990s, focusing on how regular viewers interacted with television shows on a personal level. Bridging popular and scholarly approaches, this book discovers what America actually watched and why, through documents, footage, visits to filming locations, newspapers, and magazine articles from the shows' eras. The book features extensive notes and bibliography. **The Rough Guide to California** J. D. Dickey, Rough Guides (Firm), 2011-05-02
