Khazar Magyar Bulgar Pecheneg Ghuzz Alan Armenian Sassanid Arab Andalusian Near Eastern Saxon Norman Italian and Spanish armies It examines tactics and strategy organisation and formations as well as providing a detailed guide to the dress and equipment of the armies of the period Comprehensive illustrations complement the text and the result is a wealth of information for anyone interested in the warfare of the time Long out of print the book has been a source of inspiration to wargamers and academic historians alike It is reprinted here in its complete 1980 second edition with an updated bibliography

Alfred's Wars Ryan Lavelle,2012 Although this book provides a selection from sources and interpretations of warfare in Viking Age England and presents a consideration of them it is more than a purely historiographical study It investigates the current state of scholarship and the key points of its development indicating areas for enquiry and point out some less familiar sources along the way The intention is not to deal with the canon of historical works on the Anglo Saxon army for remarkably there is no canon as such Much though by no means all scholarship on the organization of military systems in the Anglo Saxon state has been undertaken by historians and scholars from related disciplines for whom warfare is not a primary concern Many of the sources used will be familiar to students of early medieval England but others are included because they are less often considered I have not attempted to use a chronological structure nor have I retold any particular narrative history of the English Kingdom during the Viking Age although for the reader s convenience a chronology of events is included as an appendix The focus is rather the exploration of the practice and politics of warfare

Preface **Tolkien and the Study of His Sources** Jason Fisher,2011-09-07 Source criticism analysis of a writer s source material has emerged as one of the most popular approaches in exploring the work of J R R Tolkien Since Tolkien drew from many disparate sources an understanding of these sources as well as how and why he incorporated them can enhance readers appreciation This set of new essays by leading Tolkien scholars describes the theory and methodology for proper source criticism and provides practical demonstrations of the approach

A Legacy Is Born Aaron Atwood,2009-06-02 The year is 1066 A D King Edward the Confessor has passed away Dangers from within and from across the sea threaten to take the English nation for themselves One man stands in their way One man who stands in front of his king with a powerful magical sword One man from whom a family legacy emerges As Told in the Great Hall Martin Hackett,2013-10-15 The second in Amberley Publishing s wargaming series covers the Dark Ages Lost Battlefields of Wales Martin Hackett,2014-07-15 Takes us through the numerous battles in Wales

The Mitre: Its Origins and Early Development Nancy Spies,2024-06-17 The story of the mitre began during the 11th century church reform movements and was surprisingly inspired by a popular pastime After a thousand years of bare heads the Church finally had an official hat signaling newly structured internal dynamics an increase in power and influence in society and greater parity with secular leaders
