

ANIMAL FARM RESPONSE JOURNAL

CHAPTERS 1 – 3

Overall Guidelines

1. *Each answer must include at least two bits of textual support with proper citations. Be sure to correctly cite your support. Your responses should be no less than 1 ½ full pages.*
2. *Questions from each chapter (or set of chapters) are due every Friday at the beginning of the hour (typed, double spaced, name and hour at the top, staple this sheet to your answers). Also, please include the number of the question to which you responded.*
3. *Your questions must be reflective and include deeper insights. Give me more than just the typical answer; really dig deep into the novel and think critically about it. This novel has a VERY important lesson for us all, and we'll miss it if we just skim the surface and complete the assignment just to get by.*
4. *You may be asked to share your responses, so please take this seriously! I want us to really dig deep into this novel, get to the heart of it and really understand it, not just learn the surface material. Responses may also be used to jumpstart class discussion.*
5. *Here comes the tricky part: I will divide you into groups at the beginning of the unit. Each week, Group A will answer a different question within the selected chapters than Group B. The correlation will not be the same each week (i.e., Group A will not always answer Question 1 and so on), and I reserve the right to change up the groups. Therefore, **WAIT** to see what questions are assigned to your particular class!*
6. *As always, proofread and work on sentence fluency.*

QUESTIONS: CHAPTERS 1 – 3

1. Do you think Animal Farm will be a Utopia? Why or why not? If not, how would you modify the new government?
2. What freedoms do we take for granted in the USA? Do you think we have too much freedom? What does “freedom” mean to you?
