Husbandry A. Kumar, 2006 Contents Animal Husbandry is intended primarily as a text for the basic course in Animal
Industries and Farm Animals as the case may be It should prove useful as a reference book for those involved in livestock
production This book is not an encyclopaedia Rather it is a concise and up to date collection of those facts and judgements
that can give a beginning student a wellrounded and clear picture of the scope importance and operation of our great
livestock packing and dairy industries Since many students major in other fields and make this their principal contact with a
very important field of knowledge an effort has been made to confine the material to the essential facts and to maintain
student interest by the liberal use of pictures tables and charts **Practical Animal Husbandry** T. K. Ewer, 2013-10-22
Practical Animal Husbandry presents a contemporary framework of the main subject divisions of animal husbandry Chapters
are devoted to the discussion of handling of animals the breeding of domestic livestock the growth and development of
animals reproduction processes such as egg laying in poultry milk production in cows sheep and goats the right amount and
the right quality of food confinement and shelter for all types of domesticated livestock and preventive medicine and animal
welfare Husbandmen veterinarians and livestock producers will find the book highly informative **Animal Husbandry**
